

INDEPENDENT AUDITORS' REPORT

To the Members of PNB Housing Finance Limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying Standalone Financial Statements of PNB Housing Finance Limited ("the Company"), which comprise the Balance sheet as at March 31, 2023, the Standalone Statement of Profit and Loss, including standalone Other Comprehensive Income, the standalone Statement of Cash Flow and and the standalone Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including standalone other comprehensive income, its standalone cash flows and the standalone changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
<p>Allowance for Expected Credit Loss (ECL) on loan assets</p> <p>The Company has reported total gross loans of ₹59,341.37 crore and ₹1,432.84 crore of allowance for expected credit loss as on March 31, 2023 (Refer Note 6).</p> <p>The allowance for ECL on loan assets involves significant key judgements and estimates in respect of timing and measurement of expected credit loss (Refer Note 2.21). As part of our risk assessment, we determined that the allowance for ECL on loan assets has a high degree of estimation, with a potential impact on the financial statements.</p> <p>The major elements of estimating ECL are the following:</p> <ol style="list-style-type: none"> Application of ECL model requires several data inputs. Judgmental models used to estimate ECL which involves determining Probability of Default ("PD"), Loss Given Default ("LGD"), and Exposures at Default ("EAD"). The PD and the LGD are the key drivers of estimation complexity in the ECL and as a result are considered the most significant judgmental aspect of the Company's modelling approach. Qualitative and quantitative factors used in staging of loan assets. Ind AS 109 requires the Company to measure ECL on an unbiased forward-looking basis reflecting a range of future economic conditions. Significant management judgement is applied in determining the economic scenarios used and the probability weights applied to them. 	<p>Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <ol style="list-style-type: none"> Testing the design and effectiveness of internal controls over the following: <ul style="list-style-type: none"> key controls over the completeness and accuracy of the key inputs, data and assumptions into the Ind AS 109 impairment models. key controls over the application of the staging criteria consistent with the definitions applied in accordance with the policy approved by the Board of Directors including the appropriateness of the qualitative factors. management's controls over authorisation and calculation of post model adjustments and management overlays to the output of the ECL model. In addition to above the following audit procedures have been applied; <ul style="list-style-type: none"> testing of key inputs, data and assumptions impacting ECL calculations to assess the completeness, accuracy and relevance of data, reasonableness of economic forecasts, weights, and model assumptions applied;

Key audit matters	How our audit addressed the key audit matter
<p>e) Completeness and valuation of post model adjustments.</p> <p>In view of the high degree of management's judgement involved in estimation of ECL and the overall significance of the impairment loss allowance to the standalone financial statements, it is considered as a key audit matter.</p>	<ul style="list-style-type: none"> - with the support of the team of modelling specialists employed by the Company to make the models, we tested/relied upon the assumptions, inputs and formulas used in a sample of ECL models. This included assessing the appropriateness of model design and formulas used, the 'Probability of Default', 'Loss Given Default', 'Exposure at Default', historical loss rates used, and the valuation of collateral. - tested mathematical accuracy and computation of the allowances by using the input data used by the Company; <p>c) Evaluating the appropriateness of the Company's impairment methodologies as required under Ind AS 109 and reasonableness of assumptions used including management overlays ensuring that the adjustment to ECL Model was in conformity with the policy approved by the Audit Committee.</p>
<p>Information Technology (IT) Systems and Controls</p> <p>The Company uses ERP system for financial reporting which interface with other business operation softwares that process transactions related to loans, deposits and borrowings.</p> <p>The Company's key financial accounting and reporting processes are highly dependent on the automated controls implemented in IT systems. If there exist gaps in the IT control environment, then it could result in the financial accounting and reporting records being materially misstated.</p> <p>Therefore, due to the complexity of the IT environment, the assessment of the general IT controls and the application controls specific to the accounting and preparation of the financial information is considered to be a key audit matter.</p>	<p>Our key audit procedures on this matter included, but were not limited, to the following:</p> <ul style="list-style-type: none"> (a) obtained an understanding of the Company's information processing systems, IT General Controls and automated IT controls for applications, databases and operating systems relevant to our audit; (b) Also, obtained an understanding of the changes that were made to the IT applications during the audit period; (c) Also, performed following procedures: <ul style="list-style-type: none"> (i) tested the IT General Controls around user access management, changes to IT environment and segregation of duties around program maintenance and security administration relating to key financial accounting and reporting processes; (ii) tested the Company's periodic review of access rights. We also tested requests of changes to systems for approval and authorization; and (iii) tested the automated controls like interfaces, configurations and information generated by the entity's information processing systems for loans, borrowings, deposits, interest income, interest expense and other significant financial statement items.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the Standalone Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that

there is a material misstatement of this other information, we are required to report that fact. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the standalone financial position, financial performance including standalone other comprehensive income standalone cash flow and standalone changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under

section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss including standalone Other Comprehensive Income, the standalone Statement of Cash Flow and standalone Statement in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to these Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Refer Note 40 to the Standalone Financial Statements;
 - ii. The Company has recognised provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts - Refer Note 15 to the standalone financial statements;
 - iii. The Company was regular in depositing the amounts required to be transferred to the Investor Education and Protection Fund;
 - a. The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any persons or entities,

- including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on such audit procedures, we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above contain any material misstatement;
- v. The Company has not declared or paid any dividend during the year and has not proposed any dividend for the year. Therefore, reporting in this regard is not applicable to the Company.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023. Therefore, reporting in this regard is not applicable.
3. In our opinion, the remuneration paid/ provided by the Company for its directors and managers for the year ended March 31, 2023 is in accordance with the provisions of section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report of even date to the members of PNB Housing Finance Limited on the Standalone Financial Statements as at and for the year ended March 31, 2023 (Referred to in paragraph 1 of our report on the other legal and regulatory requirements)

- (i) a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment.
- (B) The Company is maintaining proper records showing full particulars of intangible assets.
- b. The Company has a regular programme of physical verification of its property, plant and equipment by which property, plant and equipment are verified once in two years, which in our opinion, is reasonable having regard to the size of the Company and nature its property, plant and equipment. In accordance with this programme, property, plant and equipment were not physically verified during the year.
- c. According to the information and explanations given to us and based on examination of the records and registered sale deeds / transfer deeds / conveyance deeds provided to us, the title deeds, comprising all the immovable properties included in Note 12 of financial statements (i.e Property, Plant & Equipment), are held in the name of the Company as at the balance sheet date.
- d. The Company has not revalued its property, plant and equipment (including right of use assets) and intangible assets during the year. Therefore, the provisions of clause 3(i)(d) of the Order are not applicable to the Company.
- e. According to information and explanations given by the management and based on examination of the records, no proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Therefore, provisions of clause 3(1)(e) of the Order are not applicable to the Company.
- (ii) a. Based on our examination of the books of accounts of the Company, the Company has no inventory. Therefore, the provisions of clause 3(ii)(a) of the Order are not applicable to the Company.
- b. As per the information and explanations given to us, the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. We have not come across any difference between the information submitted in the quarterly returns / statements filed by the Company with such banks or financial institutions when compared with the books of account (principal outstanding) and other relevant information provided by the Company.
- (iii) a. The Company's principal business is to give loans. Therefore, the provisions of clause 3(iii)(a) of the Order are not applicable to the Company.
- b. According to the information and explanations given to us, the Company has not provided any guarantees or given any security or advances in the nature of loan during the year. Further, the investments made and the terms and conditions of the grant of loans during the year, are not prima facie prejudicial to the interest of the Company.
- c. In respect of loans asset, the schedule of repayment of principal and payment of interest has been stipulated. Except for loans where there are delays or defaults in repayment of principal and / or payment of interest as at the balance sheet date, in respect of which the Company has disclosed the accounting policy in note no 2.21 and asset classification / staging in note 6.2 to the Standalone Financial Statements in accordance with Ind AS and the guidelines issued by the regulators, the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest, as applicable. Having regard to the nature of the Company's business and the voluminous nature of loan transactions involved, it is not practicable to furnish entity wise list of loan assets where delinquencies in the repayment of principal and interest have been identified.
- d. The total amount overdue for more than ninety days, in respect of loans and advances in the nature of loans including interest thereon, as at March 31, 2023 is ₹1,933.10 crore (3,804 cases). Reasonable steps have been taken by the Company for recovery of the principal and interest as stated in the applicable Regulations and Loan agreements.
- e. According to the records of the Company examined by us, the Company is engaged primarily in lending activities. Therefore, the provisions of clause 3(iii) (e) of the Order are not applicable to the Company.

- f. According to the records of the Company examined by us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Therefore, the provisions of clause 3(iii)(f) of the Order are not applicable to the Company.
- (iv) The Company has not granted any loans, made investments or provided guarantee or securities that are covered under the provision of section 185 or 186 of the Act during the year. Therefore, the provisions of clause 3(iv) of the Order are not applicable to the Company.
- (v) The Company has complied with the directives issued by the Reserve Bank of India with regard to the deposits accepted and amounts deemed to be deposits during the year. The Company being a Housing Finance Company registered with National Housing Bank provisions of sections 73 to 76 or any other relevant provisions of the Act, and the Companies (Acceptance of Deposits) Rules, 2014, as amended are not applicable. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or Reserve Bank of India or by any other court or tribunal with regard to aforesaid deposits.
- (vi) The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Act for the business activities carried out by the Company. Therefore, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) a. According to the records of the Company examined by us, the Company is generally regular in depositing undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-tax, Sales tax, Service tax, Duty of customs, Duty of excise, Value Added tax, Cess and other statutory dues as applicable, with the appropriate authorities. There were no undisputed outstanding statutory dues as at the year end for a period of more than six months from the date they became payable.
- b. According to the information and explanation given to us and the records of the Company examined by us, there are no statutory dues referred to in sub-clause (a) on account of any dispute except followings:

Name of Statute	Nature of disputed dues	Amount (₹ in crore)*	Period to which it relates	Forum where dispute is pending
Income Tax Act	Income Tax Demand/ Penalty/ Interest	1.96	A.Y. 2014-15	High Court
Income Tax Act	Income Tax Demand/ Penalty/ Interest	45.92	A.Y. 2017-18 to A.Y. 2020-21	National Faceless Assessment Center
Income Tax Act	Income Tax Demand/ Penalty/ Interest	0.01	A.Y. 2020-21	Assessing Officer

* net of amount deposited under protest

- (viii) According to the information and explanation given to us and based on examination of the records, there were no transactions which have not been recorded in the books of account, have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Therefore, provisions of clause 3(viii) of the Order are not applicable to the Company.
- (ix) a. The Company has not defaulted in repayment of loan or other borrowings or in the payment of interest thereon during the year.
- b. According to information and explanations given by the management, the Company has not been declared willful defaulter by any bank or financial institution or other lender during the year.
- c. According to the information and explanations given to us and based on examination of the records, the term loans raised during the year were applied for the purposes for which the loans were raised other than temporary deployment pending application of proceeds.
- d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that funds raised on short-term basis have, prima facie not been used for long-term purposes by the Company.
- e. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f. According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries

- (x) a. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause 3(x)(a) of the Order are not applicable to the Company.
- b. The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally) during the year. Therefore, the provisions of clause 3(x)(b) of the Order are not applicable to the Company.
- (xi) a. Based upon the audit procedures performed for the purpose of reporting the true and fair view of the Standalone Financial Statements and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company noticed or reported during the year nor have we been informed of any such case by the management except frauds discovered by the Company aggregating ₹5.44 Cores committed by customers by falsification of documents.
- b. According to the information and explanation given to us and to the best of our knowledge, no report under subsection (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c. We have taken into consideration the whistle blower complaints received by the Company during the year and provided to us, when performing our audit.
- (xii) The Company is not a Nidhi Company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable, and the requisite details have been disclosed in the standalone financial statements, as required by the applicable Indian Accounting Standards.
- (xiv) a. Based on our examination, the Company has an adequate internal audit system commensurate with the size and nature of its business;
- b. We have considered, the internal audit reports of the Company issued till date for the period under audit.
- (xv) According to the information and explanations given to us, in our opinion the Company has not entered into any non-cash transactions with its directors or persons connected with them during the year hence provision of section 192 of the Act are not applicable to the Company. Therefore, the provisions of clause 3(xv) of the Order are not applicable to the Company.
- (xvi) a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, the provisions of clause 3(xvi)(a) of the Order are not applicable to the Company.
- b. The Company has conducted Housing Finance activities during the year with a valid Certificate of Registration (CoR) from the National Housing Bank.
- c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Therefore, the provisions of clause 3(xvi)(c) of the Order are not applicable to the Company.
- d. According to the representations given by the management, there is no CIC as part of the Group. Therefore, the provisions of clause 3(xvi)(d) of the Order are not applicable to the Company.
- (xvii) The Company has not incurred cash losses in current year and in immediately preceding financial year. Therefore, the provisions of clause 3(xvii) of the Order are not applicable to the Company.
- (xviii) There was no resignation of statutory auditors during the year. Therefore, the provisions of clause 3(xviii) of the Order are not applicable to the company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, assets liability maturity (ALM) pattern and other information accompanying the Standalone Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) There are no unspent amounts towards Corporate Social Responsibility (“CSR”) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act, 2013 in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount, to a Special account before the date of this report and within a period of 30 days from the end of the financial year in compliance with the provision of section 135(6) of the Act.

Annexure B to Independent Auditor’s Report of even date to the members of PNB Housing Finance Limited on the Standalone Financial Statements for the year ended March 31, 2023 (Referred to in paragraph 2(f) of our report on the other legal and regulatory requirements)

We have audited the internal financial controls with reference to Standalone Financial Statements of PNB Housing Finance Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over the financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to Standalone Financial Statements included obtaining an understanding of Internal

Financial Controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

A Company's Internal Financial Controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

1. OVERVIEW

1.1. Overview

PNB Housing Finance Limited ('PNBHFL', 'the Company') was incorporated on November 11, 1988. The Company is primarily engaged in the business of providing loans to individuals and corporate bodies for purchase, construction, repair and up-gradation of houses. It also provides loans for commercial space, loan against property and loan for purchase of residential plots. The Company is deposit taking Housing Finance Company registered with National Housing Bank (NHB) under Section 29A of the National Housing Bank Act, 1987. The Company is listed on BSE Limited and National Stock Exchange of India Limited. The Company's registered office is at 9th floor, Antriksh Bhawan, 22, K.G. Marg, New Delhi -110001.

These standalone financial statements are approved and adopted by the Board of Directors of the Company in their meeting held on May 18, 2023. However, the shareholders have the power to amend the financial statements after issue.

1.2. Statement of Compliance and basis of preparation and presentation

The standalone financial statements are prepared in accordance with provision contained in section 129 of the Companies Act, 2013, read with Division III of Schedule III as amended from time to time. The Statement of Cash Flows has been prepared and presented as per Ind AS 7 "Statement of Cash Flows".

The standalone financial statements have been prepared under the historical cost convention on accrual basis except where quantum of accruals cannot be ascertained with reasonable certainty. Following are measured on each reporting date:

- Certain financial assets and liabilities (including derivative instruments) that is measured at fair value.
- Defined benefit liability/(assets): present value of defined benefit obligation less fair value of plan assets.
- Financial instrument - measured at fair value.

The standalone financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, notified under section 133 of the Companies Act, 2013 and the relevant provisions of the National Housing Bank Act, 1987 as amended from time to time and the Non-Banking Financial Company-Housing Finance Company (Reserve Bank) Directions, 2021 ('RBI Directions') as amended from time to time and the RBI circular DOR.CRE.REC. No.60/03.10.001/2021-22 dated October 22, 2021, on "Scale Based Regulation (SBR): A Revised Regulatory Framework for NBFCs

The standalone financial statements are presented in Indian Rupees (₹) which is the functional and presentation currency of the Company and all values are rounded to the nearest crore with two decimals, except when otherwise indicated.

Balance sheet analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in note 45.

Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS requires a change in the accounting policy hitherto in use.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1. Use of estimates, judgements and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are known or materialised.

Some of the judgements, which have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities are:

a) Business model assessment

Classification and measurement of financial assets depends on the results of the solely payments of principal and interest (SPPI) and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and measured, the risks that affect the performance of the assets and how these are being managed. The Company monitors financial assets on a continuous basis to assess whether the business model for which the financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of the assets.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

b) Fair value of financial instruments

The fair value of financial instruments is the price that would be received upon selling of an asset or paid upon transfer of a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

c) Effective Interest Rate (EIR) method

EIR methodology recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments, penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments, as well as expected changes to interest rates and other fee income/expense that are integral parts of the instrument.

d) Impairment of financial asset

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances (Refer note 2.21).

e) Provisions and other contingent liabilities

The Company operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. Cases where Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows probable, it recognises a provision against the same. Where the probability of outflow is considered

remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed for the same.

f) Defined benefit plans

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

g) Deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.

h) Useful life of Property, Plant and Equipment (PPE) and Intangible assets

The Company reviews its estimate of the useful life of PPE and intangible assets at each reporting date, based on the expected utility of the PPE and intangible assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of PPE and intangible assets. In case of a revision of useful life, the unamortised depreciable amount is charged over the remaining useful life of the PPE and intangible assets.

i) Share-Based Payments

The Company measures the cost of equity-settled transactions with employees using Black-Scholes Model to determine the fair value of the liability incurred on the grant date. Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant.

This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them.

2.2 Cash and cash equivalents

Cash and cash equivalent comprises cash/ stamp on hand, demand deposits and time deposits with original maturity of less than three months from the date of acquisition, highly liquid investments that are readily convertible in the known amounts of cash and which

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

are subject to insignificant risk of change in value, debit balance in cash credit account.

Time deposits held with bank, with original maturity of more than three months but less than twelve months is a part of bank balance other than cash and cash equivalents.

For the purpose of the statement of cash flow, cash and cash equivalents consists of cash at banks and on hand and short term deposits, as defined above.

2.3 Revenue Recognition

a) Interest and related income

Interest income for all financial instruments measured either at amortised cost or at fair value through other comprehensive income, is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. The calculation takes into account all contractual terms of the financial instrument (for example - prepayment options) and includes any discount or premium on acquisition, fees or incremental costs that are directly attributable and are an integral part of the EIR, but not future credit losses.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. When a financial asset becomes credit-impaired and is, therefore, regarded as 'Stage 3', the Company calculates interest income by applying the EIR on net amount (i.e. gross carrying amount less allowance for expected credit loss). If the financial assets cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Interest income on all trading assets measured at fair value through profit and loss (FVTPL) is recognised using the contractual interest rate under interest income and the fair value impact is recognised in net gain / loss on fair value changes.

b) Dividend income

Dividend income is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when shareholders approve the dividend.

c) Profit on derecognition of financial assets

When the Company transfers the financial asset in a transfer that qualifies for derecognition in its entirety

then whole of the interest spread and net servicing fees (over the expected life of the asset) is recognised at present value on the date of derecognition itself as interest-only strip / net servicing fees receivable and correspondingly recognised as profit on derecognition of financial asset.

d) Fees and commission income

Fees and commissions income i.e. login fee, penal interest on defaults, pre-payment / other charges, fees for advertising in offices / website etc. (other than for those items to which Ind AS 109 Financial Instruments are applicable) is recognised in accordance with the terms of the relevant contracts / agreements and when it is probable that the Company will collect the consideration.

e) Other income

Income from operating leases are recognised in the statement of profit and loss as per the contractual rentals.

Interest on tax refunds and other claims where quantum of accruals cannot be ascertained with reasonable certainty, are recognised as income only when revenue is virtually certain which generally coincides with receipts.

Other Income represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.4 Property, plant and equipment (PPE) and Intangible assets

a) PPE

PPE are stated at cost (including directly attributable expenses) less accumulated depreciation and impairment losses, if any. Cost includes deemed cost which represents the carrying value of PPE recognised as at April 1, 2017 measured as per the previous Generally Accepted Accounting Principles (GAAP). The cost of PPE comprises the purchase price (excluding tax credits availed, if any) and any attributable cost of bringing the asset to its working condition for its intended use. Subsequent expenditure related to PPE are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of item can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

An item of PPE and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

(calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

Capital work in progress includes assets which are not ready for the intended use at the end of the reporting year and is carried at cost including directly attributable expenses.

b) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost (excluding tax credits availed, if any) and are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of item can be measured reliably. Cost comprises the purchase price (excluding tax credits availed, if any) and any attributable cost of bringing the asset to its working condition for its intended use. Subsequent expenditure related to Intangible assets are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of item can be measured reliably. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses (if any).

An intangible asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

Intangible assets which are not ready for the intended use at the end of the reporting year are disclosed as Intangible assets under development.

2.5 Depreciation and amortisation

a) Depreciation

Depreciation on PPE is provided on straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013, except for networking equipment and mobile phone instruments that are depreciated over a period of five years and three years respectively based on technical evaluation. Leasehold improvements are amortised over the period of five years however, where the lease term is less than five years amortisation is restricted to the underlying lease term.

All PPE individually costing ₹5,000 or less are fully depreciated in the year of purchase.

Depreciation on additions to PPE is provided on a pro-rata basis from the date the asset is available for use.

Depreciation on sale / derecognition of PPE is provided for up to the date of sale / derecognition, as the case may be.

The residual values, useful lives and methods of depreciation of PPE are reviewed at each financial year-end and changes (if any) are then treated as changes in accounting estimates.

b) Amortisation

Intangible assets are amortised over a period of five years or less on straight-line method except website development costs, which are amortised over a period of three years on a straight-line basis from the date when the assets are available for use or the life whichever is less.

The amortisation period and the amortisation method for these Intangibles with a finite useful life are reviewed at each financial year-end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for by changing the amortisation period or methodology, as appropriate, which are then treated as changes in accounting estimates.

2.6 Investment Property

Investment property comprises freehold properties that are held to earn rentals or for capital appreciation or both.

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefit associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Investment properties are depreciated using the straight-line method over their estimated useful lives prescribed in Schedule II of the Companies Act, 2013.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by a registered independent valuer.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

2.7 Foreign currency

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Foreign currency denominated monetary assets and liabilities are translated at the functional currency spot rates of exchange at the reporting date and exchange gains and losses arising on settlement and restatement are recognized in the statement of profit and loss except for differences arising on cash flow hedges.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the spot exchange rates as at the date of initial recognition.

2.8 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

Right-of-use assets - The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses (if any), and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term.

Lease liability - At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets - The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense.

Company as a lessor

The Company as an intermediate lessor, accounts for the head lease and the sublease as two separate contracts. The sub-lease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

2.9 Borrowing costs

Borrowing costs consists of interest and other cost that the Company incurred in connection with the borrowing of funds. Borrowing costs charged to the Statement of Profit and Loss on the basis of effective interest rate method.

2.10 Impairment of non-financial assets

The carrying amount of assets is reviewed at each reporting date. If there is any indication of impairment based on internal/external factors, an impairment loss is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount.

After impairment, depreciation/amortisation is provided on the revised carrying amount of the asset over its remaining useful life.

If at the reporting date there is an indication that previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

2.11 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

and a reliable estimate can be made of the amount of the obligation.

2.12 Contingent liabilities, Contingent assets and Commitments

The Company does not recognise a contingent liability but discloses its existence in the financial statements.

- a) Contingent liability is disclosed in case of –
- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
 - A present obligation arising from past events, when no reliable estimate is possible.
 - A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent liabilities are reviewed at each balance sheet date.

- b) Contingent assets are not recognised in the financial statements.
- c) Commitments are future liabilities for contractual expenditure and is disclosed in case of –
- Estimated amount of contracts remaining to be executed on capital account and not provided for;
 - Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

2.13 Employee Benefits

a) Retirement and other employee benefits

Defined contribution plan

Retirement benefit in the form of provident fund and Employee State Insurance Scheme is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund and Employee State Insurance scheme. The Company recognises contribution payable to the provident fund and Employee State Insurance scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid.

Defined Benefit Plan

The Company has defined benefit plans as Compensated absences and Gratuity for all eligible employees, the liability for which is determined based on actuarial

valuation at each year-end using projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability, the effect of the asset ceiling, and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in the statement of profit and loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs.

The Company recognises the following changes in the net defined benefit obligation as an employee benefits expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

b) Short term and other long term employee benefits

A liability is recognised for benefits to employees in respect of wages and salaries, annual leave, sick leave and short-term employee benefits in the year the related service is rendered. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences, which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

In case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences and liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

c) Share based payments

The Company operates a number of Employee Stock Option Scheme/ Restricted stock units ('the Scheme') which provides for the grant of options to acquire equity shares of the Company to its employees. The options

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

granted to employees vest in a graded manner and these may be exercised by the employees within a specified period. These equity-settled share based payments to employees are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity (Share option outstanding account). The fair value of options is estimated using valuation techniques, which incorporate exercise price, term, risk-free interest rates, the current share price, its expected volatility etc.

At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in statement of profit and loss such that the cumulative expenses reflects the revised estimate, with a corresponding adjustment to the share option outstanding account.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

2.14 Taxes

Taxes on income

Tax expense comprises current and deferred tax.

a) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with Income Tax Act, 1961, Income Computation and Disclosure Standards and other applicable tax laws. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Current tax assets and liabilities are offset if a legally enforceable right exists to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

b) Deferred tax

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity.

Goods and services input tax credit

Goods and Services tax input credit is recognised in the period in which the supply of goods or service received is recognised and the conditions to avail the credit are fulfilled as per the underlying law.

2.15 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares except where the result would be antidilutive.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

2.16 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

Initial recognition and measurement

Financial assets, with the exception of loans and advances to customers, are initially recognised on the trade date, i.e. the date that the Company becomes a party to the contractual provisions of the instrument. Loans and advances to customers are recognised when funds are disbursed to the customers. The classification of financial assets at initial recognition depends on their purpose, characteristics and the intention of the management's while acquiring the same. All financial assets measured at fair value through profit or loss (FVTPL) are recognised initially at fair value. Financial assets measured at amortised cost or at fair value through other comprehensive income (FVTOCI) is recorded at fair value plus transaction costs that are attributable to the acquisition of that financial asset. Trade receivable that does not contain a significant financing component are measured at transaction price.

Classification and subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial asset at amortised cost
- Financial asset (debt instruments) at FVTOCI
- Financial asset at FVTPL

Financial asset at amortised costs

Financial asset is measured at the amortised cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method less impairment (if any). Amortised cost is calculated by taking into account any discount or premium on acquisition and fees received and the costs incurred on acquisition of financial asset. The EIR amortisation is included in interest income in the statement of profit and loss. The

losses arising from impairment are recognised in the statement of profit and loss.

Financial assets (debt instruments) at FVTOCI

Financial asset (debt instruments) is classified as at the FVTOCI if both of the following criteria are met:

- i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- ii) The asset's contractual cash flows represent SPPI.

Financial assets included within the above category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses or reversals and foreign exchange gain or loss in the profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial asset at FVTPL

Financial asset which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL. Financial assets classified under FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

b) Financial liabilities

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for trading or it is designated as on initial recognition to be measured at FVTPL. All financial liabilities, other than classified at FVTPL, are classified at amortised cost in which case they are initially measured at fair value, net of transaction costs and subsequently at amortised cost using effective interest rate.

Amortised cost is calculated by taking into account any fees, commission / brokerage and ancillary costs incurred in relation to the financial liability.

c) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments are recognised at the face value and proceeds received in excess of the face value are recognised as share premium.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

Offsetting a financial asset and a financial liability

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.17 Derivative financial instruments

A derivative is a financial instrument or other contract with all three of the following characteristics:

- Its value changes in response to the change in a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index of prices or rates, credit rating or credit index, or other variable, provided that, in the case of a non-financial variable, it is not specific to a party to the contract (i.e. the 'underlying').
- It requires no initial net investment or an initial net investment that is smaller than what would be required for other types of contracts expected to have a similar response to changes in market factors.
- It is settled at a future date.

The Company holds derivative to mitigate the risk of changes in exchange rates on foreign currency exposures as well as interest fluctuations. The counterparty for such contracts are generally banks.

Derivatives are recorded at fair value and carried as assets when their fair value is positive and as liabilities when their fair value is negative. Changes in the fair value of derivatives are included in net gain on fair value changes unless hedge accounting is applied.

2.18 Hedge accounting

The Company makes use of derivative instruments to manage exposures to interest rate and foreign currency. In order to manage particular risks, the Company applies hedge accounting for transactions that meet specified criteria.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

A cash flow hedge is a hedge of the exposure to variability in cash flows that is attributable to a particular risk associated with a recognised asset or liability (such as all or some future interest payments on variable rate debt) or a highly probable forecast transaction and could affect profit or loss.

For designated and qualifying cash flow hedges, the effective portion of the cumulative gain or loss on the hedging instrument is initially recognised directly in OCI within equity (cash flow hedge reserve). The ineffective portion of the gain or loss on the hedging instrument is recognised immediately in net gain/loss on fair value changes in the profit and loss statement.

When the hedged cash flow affects the statement of profit and loss, the effective portion of the gain or loss on the hedging instrument is recorded in the corresponding income or expense line of the statement of profit and loss. When the forecast transaction subsequently results in the recognition of a non-financial asset or a non-financial liability, the gains and losses previously recognised in OCI are reversed and included in the initial cost of the asset or liability.

When a hedging instrument expires, is sold, terminated, exercised, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss that has been recognised in OCI at that time remains in OCI and is recognised when the hedged forecast transaction is ultimately recognised in the statement of profit and loss. When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was reported in OCI is immediately transferred to the statement of profit and loss.

2.19 Reclassification of financial assets and liabilities

The Company doesn't reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. Further, whenever there is a change in the business model the underlying affected financial asset are reclassified. Financial liabilities has not been reclassified.

2.20 Derecognition of financial assets and liabilities

a) Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when the rights to receive cash flows from the financial asset have expired. The Company also derecognised the financial asset if it has transferred the financial asset and the transfer qualifies for derecognition.

The Company has transferred the financial asset if and only if, either:

- It has transferred its contractual rights to receive cash flows from the financial asset

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

Or

- It retains the rights to the cash flows, but has assumed an obligation to pay the received cash flows in full or in part without material delay to a third party under a 'pass-through' arrangement

Pass-through arrangements are transactions whereby the Company retains the contractual rights to receive the cash flows of a financial asset (the 'original asset'), but assumes a contractual obligation to pay those cash flows to one or more entities (the 'eventual recipients'), when all of the following three conditions are met:

- The Company has no obligation to pay amounts to the eventual recipients unless it has collected equivalent amounts from the original asset
- The Company cannot sell or pledge the original asset other than as security to the eventual recipients.
- The Company has to remit any cash flows it collects on behalf of the eventual recipients without material delay.

In addition, the Company is not entitled to reinvest such cash flows, except for investments in cash or cash equivalents including interest earned, during the period between the collection date and the date of required remittance to the eventual recipients.

A transfer only qualifies for derecognition if either:

- The Company has transferred substantially all the risks and rewards of the asset

Or

- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The Company considers control to be transferred if and only if, the transferee has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without imposing additional restrictions on the transfer.

When the Company has neither transferred nor retained substantially all the risks and rewards and has retained control of the asset, the asset continues to be recognised only to the extent of the Company's continuing involvement, in which case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

b) Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in the statement of profit and loss.

2.21 Measurement of Expected Credit Loss (ECL)

The Company records allowance for expected credit losses for all loans, other debt financial assets not held at FVTPL together with the financial guarantee contracts. Equity instruments are not subject to impairment under Ind AS 109.

The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss or LTECL), unless there has been no significant increase in credit risk (SICR) since origination, in which case, the allowance is based on the 12 months' expected credit loss (12mECL).

Default

Classification of default is based on the regulatory definition of Non-Performing Assets (NPA). Our regulator i.e. Reserve Bank of India defines NPA in Paragraph 8.3.5 in its Master Directions – Non Banking Financial Company – Housing Finance (Reserve Bank) Directions, 2021 as exposures where interest or principal is in arrears for a period of more than ninety days.

The Company will maintain the definition of default in line with any amendments made by the regulator from time to time through its circulars and through its Master Circular published from time to time.

Staging

The Company while assessing whether there has been a SICR of an exposure since origination, it compares the risk of a default occurring over the expected life of the financial instrument as at the reporting date with the risk of default as at the date of initial recognition. The Company classifies the accounts into three stages.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

The mechanics and key inputs for classifying the stages and computing the ECL are defined below:

Stage Definition	Details	Classification
Stage 1	Low credit risk Days Past Due (DPD) 0-30	Financial instruments are treated as stage 1 which are not credit impaired and for which the credit risk has not increased significantly since initial recognition. The company calculates the 12 month ECL allowance.
Stage 2	DPD 31-90 Qualitative indicators of SICR	Financial instruments having SICR since initial recognition (origination of facilities) are classified under (if not impaired) Stage 2. The Company calculates the lifetime ECL allowance.
Stage 3	90+ / NPA	Remaining financial instruments which are credit impaired are treated as Stage 3. The Company uses regulatory definition as a consistent measure for default across all product classes. The Company records an allowance for the LTECLs.

Key components for computation of expected credit loss are:

– Probability of Default (PD)

Probability of Default (PD) is one of the three risk components needed to estimate ECL under Ind AS 109. PD is defined as the probability that a borrower will be unable to meet their debt obligations over a stipulated time. The PD estimate incorporates information relevant for assessing the borrower's ability and willingness to repay its debts, as well as information about the economic environment in which the borrower operates.

The Company uses 12-month PD for stage 1 assets and lifetime PD for stage 2 and Stage 3 assets.

The Company has adopted the following methodology for ECL computation:

Particulars	PD	LGD
Retail Loans	Multinomial logistic regression	Workout Method
Corporate Loans	Pluto-Tasche	Asset coverage based / Expected Collateral Realisation (ECR)

Broadly, the Company has grouped the portfolio into retail and corporate category. ECL computation is based on collective approach except for a few large exposure of corporate finance portfolio where loss estimation is based on ECR. Further, given the characteristics and inherent risks of the various sub categories of the portfolio the Company has used appropriate PD / LGD computation techniques which are detailed below:

Retail loans

Probability of default

The retail portfolio is segregated into homogenous pools at the product level and occupational level.

For ECL computation, basis risk emergence curve movement, the Company has adopted statistical techniques of multinomial logistic regression, Observed Default Rate based on customer classification etc using behaviour and credit variables. For life time PDs computation, the Company has used survival analysis using Kaplan-Meier technique.

Previous year(s) portfolio behaviour of homogenous pools is considered for PD estimation. The Company has further stressed the PDs for such selective group of customers

– Loss Given Default (LGD)

The Loss given default (LGD) is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the expected cash flows, including from the realisation of any collateral.

– Exposure at default (EAD)

Exposure at default (EAD) is an estimate of the exposure at a future default date, taking into account expected changes in the exposure after the reporting date, including repayments of principal and future interests.

who are falling in early warning signal pool like customers who have had experienced delinquency with other financial institutions but remained good with us, customers showing very early signs of stress in emerging delinquencies.

Loss given default

The LGD for the retail portfolio is modelled through a workout approach. Historical NPA data of last few years has been used to arrive at LGD. Loss estimation have been done either basis distressed value or actual/expected recoveries, depending on resolution strategies already materialised or in the process of materialisation. Multiple factors are considered for determining the LGD including time taken for resolutions, geographies, collection feedback, underlying security etc.

Exposure at default

EAD is the sum of the outstanding principle, interest outstanding and future interest receivables for the expected life of the asset, computed basis the behavioral analysis of the Company's historical experience.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

Corporate loans

Probability of default

PDs for the corporate portfolio are determined by using external ratings as cohorts along with ever default behavior of an account in last 12 months (basis external ratings based statistical technique of Pluto-Tasche). PDs are further stressed basis operational variables like construction variance, sales velocity, resolution team feedback etc. For life time PDs computation, the Company has used survival analysis using Kaplan-Meier technique.

Loss given default

For LGD estimates, the Company has used ECR approach and have applied business logic based on security coverage ratio of existing portfolio. Sensitivity analysis, resolution feedbacks are applied on probability weighted scenarios to compute loss given default.

Exposure at Default

EAD is the sum of the outstanding principle, interest outstanding and future interest receivables for the expected life of the asset, computed basis the behavioral analysis of the Company's historical experience.

Significant increase in credit risk (SICR)

The Company monitors all financial assets that are subject to impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk in the assets falling in stage 1 then the Company measures the loss allowance over the lifetime of the loan instead of 12 month ECL.

Retail Loans:

Given the prevalent environment, the qualitative criteria for triggering SICR in retail exposure is:

- i. Those stage 1 loan assets where underlying property is under construction and expected construction progress is likely to remain slow based on historical data / market feedback.
- ii. Those stage 1 assets which are restructured under RBI OTR scheme of Aug 2020 and May 2021 and have shown higher degree of risk basis their performance with us and/or with other financial institutions.

Corporate Loans:

The Company has its own qualitative assessment criteria comprising various operational and repayment variables like construction variance, historical delinquency rates, sales

velocity, asset coverage ratio, resolution team feedback etc. Basis the review and management overlay, the Company identifies assets where likelihood of deterioration in credit quality is high and for such assets SICR has been triggered.

Incorporation of forward looking information

Ind AS 109 requires entities to model their ECL and apply forward looking macroeconomic scenarios taking into consideration possibility of favorable, neutral, adverse and stressed economic conditions. Multiple scenarios are required to be applied to the ECL and a probability weighted ECL is then computed. In order to compute probability weighted ECL considering the impact of COVID-19 several macroeconomic variables such as GDP at constant prices, Housing Price Index (HPI) inflation, Gross national savings, unemployment rate etc. were considered from the International Monetary Fund (IMF), NHB and RBI websites and the Company's historical data were analysed.

A model was then built, and forecasts were generated, and scenario creation carried out to finally arrive at the final macroeconomic overlay. Identification of relevant macroeconomic variables was done combining statistical analysis (correlation) and business intuition (sign of correlation).

The macroeconomic variables (MEVs) of the final model were used to generate multiple simulations for forecasting under different probabilistic scenarios, i.e., favorable, neutral, adverse and stress scenarios. Under each scenario, based on the independent variable forecasts, the forecasted default rates are obtained using the final model relationship between the default rates and macroeconomic variables. The scenarios are identified based on the probability of occurrence, i.e. expected probability of the future economic state. An anchor variable (GDP) analysis was performed in order to select a particular scenario for future quarters. Accordingly, the probability weighted ECL is computed using the likelihood as weights.

2.22 ECL on financial guarantee contracts

ECL on financial guarantee contracts has been computed basis the methodologies defined under note 2.21.

2.23 Write offs

The Company undertakes write off on a loan, in full or in part, when the amount is construed as irrecoverable after enforcement of available means of resolution. The authority of write off is vested with committee of senior officials of the Company. In case the company writes off an asset, the recoveries resulting from the write off activity may result in impairment gains.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

2.24 Collateral

The Company is in business of secured lending and all loans are adequately covered by either residential collateral or commercial collateral. The collaterals are assessed at the time of origination and are being re-assessed as and when required.

The illustrative factors considered while evaluation of collateral are liquidity, enforceability, marketability, ease and efficiency in custody and settlement. The Company complies with local by-laws and relevant jurisdictions to ensure that the collaterals are free from all encumbrances. The assessment of collateral is undertaken by empanelled team of independent and qualified technical / legal agencies.

The Company has specified the maximum loan-to-value ratio for various types of asset to be accepted as collateral. Such ratios commensurate with the relative risk of the assets as prescribed by NHB and provides an adequate buffer against potential losses.

On case-to-case basis, the Company may ask for additional security, which may in the form of guarantee or financial assets or any other real estate assets.

The Company may take actions as provided in the SARFAESI Act which enables it to enforce the underlying collateral of stage 3 assets without court intervention.

2.25 Dividend

The Company recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the Shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

2.26 Unclaimed Deposits

Deposits, which has become overdue but have not been presented for payment or renewal, are transferred to unclaimed deposits. Deposit remaining unclaimed for more than seven years have been transferred to the Investor Education and Protection Fund (IEPF). Interest for the period from last maturity date to the date of renewal of unclaimed deposits is accounted for during the year of its renewal.

2.27 Securities premium

Securities premium is credited:

- when shares are issued at premium;
- with the fair value of the stock options which are treated as expense (if any), in respect of shares allotted pursuant to Employee Stock Options Scheme

Securities premium can be utilised only for limited purposes such as issuance of bonus shares or adjustment of share issue expenses, net of tax, as permissible under section 52(2) of the Companies Act, 2013, to the extent of balance available and thereafter, the balance portion is charged to the statement of profit and loss, as incurred.

2.28 Assets held for sale

The Company repossess properties or other assets to settle outstanding recoverable and the surplus (if any) post auction is refunded to the obligors. These assets acquired by the company under SARFAESI Act, 2002 has been classified as assets held for sale, as their carrying amounts will be recovered principally through a sale of asset. In accordance with Ind AS 105, the company is committed to sell these assets and they are measured at the lower of their carrying amount and the fair value less costs of disposal.

2.29 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). CODM is responsible for allocating the resources, assess the financial performance and position of the Company and makes strategic decision. Company's main business is to provide loans against/for purchase, construction, repairs & renovations of houses/ flats/ commercial properties etc. All other activities of the Company revolve around the main business. As such, there are no separate reportable segment, as per the Operating Segments (Ind AS 108), notified by the Companies (Accounting Standard) Rules, 2015 as amended from time to time.

2.30 Investment in subsidiaries

Investments in subsidiaries are measured at cost as per Ind AS 27 – Separate Financial Statements.

Note 6.3: Expected Credit Loss (ECL) - Staging analysis[#]

(₹ in crore)

Particulars	As at March 31, 2023				As at March 31, 2022			
	Stage 1^	Stage 2	Stage 3	Total	Stage 1^	Stage 2	Stage 3	Total
Retail Loans	244.87	254.63	466.66	966.16	283.21	197.35	527.83	1,008.39
Total	244.87	254.63	466.66	966.16	283.21	197.35	527.83	1,008.39

ECL movement as on March 31, 2022 and March 31, 2023

- The loan assets in stage 2 were 3.61% as on March 31, 2023 as against 3.88% as on March 31, 2022. The Company has applied qualitative SICR criteria owing to which stage 1 assets of ₹584.70 Crore has moved to stage 2 assets. Pre SICR, the stage 2 loan assets as on March 31, 2023 would be 2.56% against 2.25% as on March 31, 2022.
- ECL % POS has increased by 2.63% as on March 31, 2023 in stage 2.
- Overall ECL % POS have decreased by 25 bps on accounts improvement in Asset quality.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

ECL movement as on March 31, 2021 and March 31, 2022

- The loan assets in stage 2 were 3.88% as on March 31, 2022 as against 5.17% as on March 31, 2021. The Company has applied qualitative SICR criteria owing to which stage 1 assets of ₹823.17 crore has moved to stage 2 assets. Pre SICR, the stage 2 loan assets as on March 31, 2022 would be 2.25% against 3.46% as on March 31, 2021.
- ECL % POS has decreased by 1.29% as on March 31, 2022 in stage 2 due to transition of stage 2 accounts to stage 3 (as an impact of RBI Circular No. RBI/2021-2022/125 DOR.STR.REC.68/21.04.048/2021-22)
- Overall ECL % POS have increased by 24 bps on accounts of conservatism approach adopted by the Company.

Particulars	As at March 31, 2023				As at March 31, 2022			
	Stage 1 [^]	Stage 2	Stage 3	Total	Stage 1 [^]	Stage 2	Stage 3	Total
Corporate Loans	279.95	-	186.73	466.68	300.10	3.07	1,247.38	1,550.55
Total	279.95	-	186.73	466.68	300.10	3.07	1,247.38	1,550.55

(₹ in crore)

ECL movement as on March 31, 2022 and March 31, 2023

- Stage 1 ECL % of POS increased from 6.50% to 9.47%.
- The loan assets in stage 2 were decreased to nil as on March 31, 2023 from 0.29% as on March 31, 2022 majorly due to decreasing corporate portfolio.
- The Company's stage 3 asset ratio has decreased from 37.13% as on March 31, 2022 to 22.25% as on March 31, 2023 owing to this ECL has also decreased.

ECL movement as on March 31, 2021 and March 31, 2022

- Stage 1 ECL % of POS increased from 4.31% to 6.50%. This is due to restructuring cases carrying higher provisions.
- The loan assets in stage 2 were decreased to 0.29% as on March 31, 2022 from 9.90% as on March 31, 2021 majorly due to shift of stage 2 asset to stage 3.
- The Company's stage 3 asset ratio has increased from 13.46% as on March 31, 2021 to 37.13% as on March 31, 2022 owing to this ECL has also increased.

[^]The restructuring was done for Stage 1 accounts, total restructured assets were ₹967 crore (Previous year ₹1,647 crore), against which provision of ₹102 (Previous year ₹204 crore) is held.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

NOTE 8: OTHER FINANCIAL ASSETS

Particulars	(₹ in crore)	
	As at March 31, 2023	As at March 31, 2022
Receivable considered good- Unsecured		
Receivables on assignment and co-lending of loans (Refer Note 8.1, 8.2 and 8.3)	728.37	647.47
Security deposits	16.79	16.95
Other Receivables	11.34	11.15
Security deposits - credit impaired	0.54	0.11
Total gross (a)	757.04	675.68
Less: Impairment loss allowance (b)	2.40	1.77
Total net (a-b)	754.64	673.91

Note 8.1: During the year ended March 31 2023, the Company has sold some loans and advances measured at amortised cost under co-lending deals through assignment mode, as a source of finance. As per the terms of deal, the derecognition criteria as per IND AS 109, including transfer of substantially all the risks and rewards relating to assets being transferred to the buyer is met and the assets have been derecognised.

The table below summarises the carrying amount of the derecognised financial assets:

Loans and advances measured at amortised cost	(₹ in crore)	
	As at March 31, 2023	As at March 31, 2022
Carrying amount of derecognised financial assets	7,344.70	9,088.02

Since the Company transferred the above financial asset in a transfer that qualified for derecognition in its entirety therefore the whole of the interest spread and net servicing fees (over the expected life of the assets) is recognised at present value on the date of derecognition as interest-only strip/net servicing fees receivable ("Receivables on assignment of loan") and correspondingly recognised as profit on derecognition of financial assets.

Note 8.2: Includes receivable from related party ₹0.44 crore (Previous year ₹0.61 crore).

Note 8.3: Disclosure pursuant to RBI Notification dated September 24, 2021 on "Transfer of Loan Exposures" are given below:

(a) The Company has not acquired any stressed loans or loans not in default during the year ended March 31, 2023 and March 31, 2022.

(b) Details of loans not in default transferred:

Particulars	(₹ in crore)	
	Assignment through colending	
	Current Year	Previous Year
Total amount of loans transferred through colending	179.79	-

Later than one year but not later than five year	0.04	0.08
Later than five years	-	-

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

Note 11.3: The fair value of the investment property has been determined on the basis of valuation carried out at the reporting date by a registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The fair value measurement for investment property has been categorised as Level 2 based on the valuation techniques used and inputs applied. The main inputs considered by the valuer are government rates, property location, market research, contracted rentals, discount rates and comparable values, as appropriate. The best estimate of fair value is current prices in an active market for similar properties. Fair value are as follows:

Reconciliation of fair value

Particulars	As at		As at	
	April 01, 2022	March 31, 2023	March 31, 2022	March 31, 2023

Note 18.3: External commercial borrowing:

a) Nature of security

- i) The ECB borrowings are secured against eligible housing loans/book debts and are hedged through currency swaps, interest rate swaps and forward contracts as per the applicable RBI guidelines.
- ii) The derivative contracts are initially recognised at fair value on the date of the transaction and all outstanding derivative transactions, on the date of balance sheet, are subsequently measured at fair value on that date. Where cash flow hedge accounting is used, fair value changes of the derivative contracts are recognised through the cash flow hedge reserve (through other comprehensive income) which is reclassified to profit and loss account as the hedged item effects profit and loss. Premium paid/discount received in advance (if any) on the derivative contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts, if such contracts relate to monetary items as at the balance sheet date.
- iii) As at March 31, 2023, the Company has outstanding ECB of USD 670.00 million (equivalent to ₹ 5,508.53 crore) (March 31, 2022 USD 796.00 million (equivalent to ₹ 6,034.25 crore)). The Company has undertaken cross currency swaps and principal only swaps to hedge the foreign currency risk of the ECB principal. Whereas the Company has entered into floating to fixed coupon only swaps and interest rate swaps along with forward contracts to hedge the floating interest and foreign currency risk of the coupon payments respectively. All the derivative instruments are purely for hedging the underlying ECB transactions as per applicable RBI guidelines and not for any speculative purpose.

Note 24.4: Terms/Rights attached to equity shares

The Company has only one class of shares referred to as equity shares having a par value of ₹10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in ₹. Dividend distribution is for all equity shareholders who are eligible for dividend as on record date. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General meeting. In the event of liquidation of the Company, the holders of equity

shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Note 24.5: The Company has not allotted any share pursuant to contracts without payment being received in cash nor it has issued any bonus shares or bought back any shares, during the period of five years immediately preceding the reporting date.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

Note 24.6: The Company has not:

- Issued any securities convertible into equity/preference shares.
- Issued any shares where calls are unpaid.
- Forfeited any shares.

Note 24.7: Capital Management:

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements as per the directives of the regulator. The adequacy of the Company capital is monitored using, among other measures, the regulations issued by NHB & RBI from time to time.

Company has complied in full with all its externally imposed capital requirements.

The primary objectives of the Company capital management policy are to ensure that it complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder's value.

The Company manages its capital structure after taking in to consideration the inherent business risk and the changes in economic conditions. In order to maintain or adjust the capital

structure, the Company may adjust the amount of dividend payment to shareholders, return of capital to shareholders or issue capital securities.

No changes have been made to the objectives, policies and processes from the previous years and they are reviewed by the Board of Director's at regular intervals.

Regulatory capital consists of Tier I capital, which includes owned funds comprising share capital, share premium, retained earnings including current year profit and free reserves less cash flow hedge reserve, deferred revenue expenditure and intangible assets. The book value of investment in shares of other non-banking financial companies including housing finance companies and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate 10% of owned funds will be reduced while arriving at the Tier I capital.

The other component of regulatory capital is Tier II Capital Instruments, which includes non-convertible preference shares, revaluation reserve, general provision and loss reserves to the extent of one and one fourth percent of risk weighted asset, hybrid capital instruments and subordinated debts.(Refer Note 36.1)

Final dividend for 2022: ₹ Nil per share	-	-
Total	-	-

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

NOTE 25: OTHER EQUITY (Nature and purpose of reserves)

Share application money

Share application money pending allotment whereby the amount has been received on the application, of which allotment is yet to be made.

Securities premium

Securities premium includes :

- amount of premium received on issue of equity shares and;
- fair value of the stock options which are treated as expense, if any, in respect of shares allotted pursuant to Employee Stock Options Scheme.

The securities premium can be utilised only for limited purposes such as issuance of bonus shares, issue expenses of securities which qualify as equity instruments in accordance with the provisions of the Companies Act, 2013.

Special reserve and Statutory reserve

In accordance with Section 29C(i) of the National Housing Bank Act, 1987, the Company is required to transfer at least 20% of its net profit every year to a reserve fund (statutory reserve) before any dividend is declared.

The Company has created a special reserve in terms of clause (viii) of sub-section (1) of Section 36 of the Income-tax

Act, 1961 and the same is considered to be an eligible transfer for the purposes of Section 29C (i).

Share option outstanding accounts

The cost of equity settled transactions is determined by the fair value at the date when the grant is made using the Black-Scholes Model. The cumulative expense recognised for equity settled transaction is credited to share option outstanding account in equity.

Retained earnings

Retained earnings are profits earned by the Company after transfer to general reserve and payment of dividend to shareholders.

Effective portion of cash flow hedges

The Company uses hedging instruments as part of its management of foreign currency risk and interest rate risk associated on borrowings. For hedging foreign currency and interest rate risk, the Company uses foreign currency forward contracts, cross currency swaps and interest rate swaps. To the extent these hedges are effective, the change in fair value of the hedging instrument is recognised in the cash flow hedging reserve. Amounts recognised in the cash flow hedging reserve is reclassified to the statement of profit or loss when the hedged item affects profit or loss (e.g. interest payments).

NOTE 26: INTEREST INCOME

(₹ in crore)

- Other deductions	(h)	(0.01)	(15.28)
Total current tax expense	(c+d+e+f+g+h)	83.38	242.56
Effective tax rate (%)		22.72	22.66
Other comprehensive income			
Tax expense on re-measurement gains/ (losses) on defined benefit plan		0.33	(0.11)
Total tax on other comprehensive income		0.33	(0.11)

NOTE 34: EARNINGS PER SHARE

i) The Earnings Per Share (EPS) is calculated as follows:

Particulars	Unit	Current Year	Previous Year
a) Amount used as the numerator for basic EPS profit for the year	(₹ in crore)	1,056.27	821.92
b) Weighted average number of equity shares for basic EPS	Number	16,86,79,926	16,85,05,508
c) Weighted average number of equity shares for diluted EPS	Number	16,88,44,989	16,88,74,383
d) Nominal value per share	(in ₹)	10	10
e) Earnings per share:			
- Basic (a/b)	(in ₹)	62.62	48.78
- Diluted (a/c)	(in ₹)	62.56	48.67

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

- ii) The basic earnings per share has been computed by dividing the net profit after tax attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the year. The diluted earnings per share has been computed by dividing the net profit after tax attributable to equity share holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Diluted potential equity shares are deemed converted as of the beginning of the period unless issued at a later date. Diluted potential equity shares are determined independently for each period presented. Diluted earnings per share does not include conversion or exercise of potential ordinary shares that would have an anti-dilutive effect on earnings per share.

Reconciliation of equity shares used in computation of basic and diluted earnings per equity share is as follows:

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Weighted average number of equity shares at the beginning of the year	16,85,98,555	16,82,68,123
Weighted average number of equity shares issued during the year	81,371	2,37,385
Weighted average number of equity shares for computation of basic earnings per share	16,86,79,926	16,85,05,508
Effect of dilutive equity shares - share option outstanding	1,65,063	3,68,875
Weighted average number of equity shares for computation of dilutive earnings per share	16,88,44,989	16,88,74,383

NOTE 35: ASSETS HELD FOR SALE

(i) Notional principal amount of exchange traded IR derivatives undertaken during the year	-	-
(ii) Notional principal amount of exchange traded IR derivatives outstanding as on 31 st March	-	-
(iii) Notional principal amount of exchange traded IR derivatives outstanding and not "highly effective"	-	-
(iv) Mark-to-market value of exchange traded IR derivatives outstanding and not "highly effective"	-	-

iii) Disclosure on Risk Exposure in Derivatives

A. Qualitative Disclosure

Particulars	Details
a) the structure and organization for management of risk in derivatives trading,	Company has a Risk Management Committee (RMC) constituted by the Board and has a Market Risk Management policy under its supervision. As a policy, the Company doesn't trade in derivative products. As per specific Board approval, the Company has entered into derivative product for its ECB borrowing for financing prospective buyers of eligible housing units under both "automatic route" and "approval route" in terms of RBI guidelines.
b) the scope and nature of risk measurement, risk reporting and risk monitoring systems,	The RMC has put in place or enhanced the control measures to contain these risks. The Company has a robust mechanism to ensure an ongoing review of systems, policies, processes and procedures to contain and mitigate risk that arise from time to time.
c) policies for hedging and / or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges / mitigates, and	The Company has not entered into any speculative derivative transaction (without underlying exposure). The Company has entered in to derivative transaction only for hedging its foreign currency and interest rate exposure against foreign currency borrowing which has been availed for financing prospective buyers of eligible housing units. The derivative transactions entered into for hedging the ECB borrowings are as per the applicable guidelines of RBI. The hedging is guided by the Board resolution authorising the Company to borrow through ECB route and hedging of the underlying exposure.
d) accounting policy for recording hedge and non-hedge transactions; recognition of income, premiums and discounts; valuation of outstanding contracts; provisioning, collateral and credit risk mitigation.	The derivative contracts are initially recognised at fair value on the date of the transaction and all outstanding derivative transactions, on the date of balance sheet, are revalued at their fair market value, on that date. Where Cash Flow hedge accounting is used, fair value changes of the derivative contracts are recognised through the Cash Flow Hedge Reserve in the same period they are accrued. Any profit/loss arising on cancellation/unwinding of derivative contracts are recognised as income or expenses for the period. Premium paid / discount received in advance on derivative contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts, if such contracts relate to monetary items as at the balance sheet date.

(vi) Institutional set-up for liquidity risk management

The Board of Directors of the Company has constituted the Asset Liability Management Committee (ALCO) and the Risk Management Committee. The Board has the overall responsibility for management of liquidity risk. The Board decides the strategy, policies and procedures to manage liquidity risk in accordance with the liquidity risk tolerance/limits approved by it. The Risk Management Committee (RMC), which is a committee of the Board, is responsible for evaluating and monitoring the integrated risk management system of the Company including liquidity risk. The ALCO is responsible for ensuring adherence to the liquidity risk tolerance/limits set out in the Board approved Asset Liability Management (ALM) policy. The role of the ALCO with respect to liquidity risk includes, inter alia, decision on desired maturity profile for assets & liabilities, responsibilities and controls for managing liquidity risk and overseeing the liquidity position of the Company. The ALM Policy is reviewed periodically to realign the same pursuant to any regulatory changes/changes in the economic landscape or business needs and tabled to the Board for approval.

Management regularly reviews the position of cash and cash equivalents by aligning the same with the projected maturity of financial assets and financial liabilities, economic environment, liquidity position in the financial market, anticipated pipeline of future borrowing & future liabilities and threshold of minimum liquidity defined in the ALM policy with additional liquidity buffers as management overlay.

(b) Disclosure pursuant to Reserve Bank of India Circular DOR.FIN.HFC. CC.No.120/03.10.136/2020-21 dated February 17, 2021 pertaining to Liquidity Risk Management Framework for Housing Finance Companies

A. Qualitative Disclosure

As per above circular, all deposit taking HFCs irrespective of their asset size, shall maintain a liquidity buffer in terms of Liquidity Coverage Ratio (LCR) which will promote resilience of HFCs to potential liquidity disruptions by ensuring that they have sufficient High Quality Liquid Asset (HQLA) to survive any acute liquidity stress scenario lasting for 30 days. The timeline on adhering to LCR guidelines are tabulated below.

Periods	December 01, 2021	December 01, 2022	December 01, 2023	December 01, 2024	December 01, 2025
Minimum LCR (%)	50%	60%	70%	85%	100%

The objective of the LCR is to promote an environment wherein balance sheet carry a strong liquidity for short term cash flow requirements. To ensure strong liquidity NBFCs are required to maintain adequate pool of unencumbered HQLA which can be easily converted into cash to meet their stressed liquidity needs for 30 calendar days. The LCR is expected to improve the ability of financial sector to absorb the shocks arising from financial and/or economic stress, thus reducing the risk of spill over from financial sector to real economy.

The Liquidity Risk Management of the Company is managed by the ALCO under the governance of Board approved Liquidity Risk Framework comprising of Asset Liability Management policy, Contingency Funding Policy, Funding Strategy and Resource Mobilization Policy, and Market Risk Management Policy. The LCR levels for the balance sheet date is derived by arriving the stressed

expected cash inflow and outflow for the next calendar month. To compute stressed cash outflow, all expected and contracted cash outflows are considered by applying a stress of 15%. Similarly, inflows for the Company is arrived at by considering all expected and contracted inflows by applying a haircut of 25%.

The main drivers of LCR are:

Outflows comprises of:

- All the contractual debt repayments and interest payments
- Expected operating expense based on FY 2021-22
- Committed credit facilities contracted with customers for both sanctioned but partly disbursed cases and sanctioned but undisbursed cases based on historical experience and other expected or

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

contracted cash outflows like expected pay-outs under contracted direct assignment deals.

The potential debt which may be recalled by the lenders on account of covenant breach has not been considered since the Company has not experienced such debt recall by any lender so far despite having breached covenants in the past.

Inflows comprises of:

- Expected receipt (scheduled EMIs) from all performing loans
- Liquid investment either in the form of short tenure Fixed Deposits with banks or in units of Debt Mutual Fund Schemes (like Overnight Liquid and Money Market Schemes) which are unencumbered and have not been considered as part of HQLA
- Sanctioned and undrawn lines of credit from banks.

For the purpose of HQLA the Company considers unencumbered government securities and cash/bank balances with nil haircuts.

The unencumbered government securities held as part of HQLA are identified separately from the government securities which are lien marked in favour of Trustee for

Funding profile of the Company is tabulated below:

Particulars	As at March 31, 2023		As at March 31, 2022	
	(₹ in crore)	%	(₹ in crore)	%
Secured Non-Convertible Debentures	3,994.09	6.55%	6,201.97	9.99%
Refinance Facility from NHB	3,046.20	5.00%	4,665.21	7.51%
Bank Facilities (Long Term + Short Term)	22,636.92	37.11%	17,052.85	27.46%
External Commercial Borrowings	5,491.58	9.00%	5,997.78	9.66%
Deposits	17,243.90	28.27%	17,648.97	28.42%
Subordinated Tier-II Non-Convertible Debentures	1,238.35	2.03%	1,438.18	2.32%
Total (a)	53,651.04		53,004.96	
Assignment of loans (b)	7,344.70	12.04%	9,088.02	14.64%
Total (a+b)	60,995.74	100.00%	62,092.98	100.00%

Derivative exposures and potential collateral calls:

To hedge ECBs the Company enters into derivative transactions. All the derivatives of the Company are for hedging purpose and not for any speculative or trading purpose. As on March 31, 2023, the notional amount of outstanding derivatives is ₹10,065.79 crore (Previous year ₹10,288.45 crore) with net positive MTM of ₹682.37 crore (Previous year ₹242.25 crore). Further, the Company has executed bilateral Credit Support Agreement with one of its derivative counterparty. As on March 31, 2023 there is no outstanding margin but there

public deposits accepted by the Company. The LCR is computed by dividing the stock of HQLA by its total net cash outflows over one-month stress period.

LCR guidelines are effective from December 01, 2021. LCR has been calculated and monitored as per methodology prescribed in the RBI circular. LCR has been calculated as a simple average of the total number of days in a quarter on daily basis. The Company is compliant with maintenance of stipulated LCR. Further, the Company has been monitoring the LCR at monthly intervals for the period of April 2022 to March 2023. The maximum and minimum daily required HQLA for regulatory compliance has been ₹1,650.01 crore and ₹585.72 crore respectively for the period of April 22 to March 23.

The Company maintains diversified sources of funding comprising short/long term loans from banks, Non-Convertible Debentures (NCDs), External Commercial Borrowings (ECBs), Deposits, Refinance from National Housing Bank (NHB) and Commercial Papers (CPs). The funding pattern is reviewed on monthly basis by the management and on quarterly basis by the ALM Committee and Risk Management Committee.

could be potential future margin calls based on MTM movements. However, the Company has received MTM of ₹22.33 crore (Previous year ₹ Nil).

Currency mismatch in LCR: There is no mismatch required to be reported in LCR as on March 31, 2023 and March 31, 2022 since all the Foreign Currency liabilities are reinstated to ₹ as per the corresponding derivative/ forward deals and closing RBI reference / FBIL exchange rates.

NOTE 37: LEASES

The Ministry of Corporate affairs vide notification number G.S.R. 463(E) dated July 24, 2020 has issued Companies (Indian Accounting Standards) Amendment Rules, 2020 which was further amended vide notification number G.S.R 419 (E) dated June 18, 2021. As per the amendment rules the Company has an option to apply practical expedients of paragraph 46A of Ind AS 116.

The Company had elected to use the practical expedient of paragraph 46A to not to assess whether a rent concession that meets the conditions of paragraph 46B is a lease modification and account for any change in lease payments resulting from the rent concession as if the change were not a lease modification. During the previous year the Company had applied the practical expedients to all rent concessions that meet the conditions specified in paragraph 46B of Ind AS 116.

The Company has recognised ₹ Nil (Previous Year ₹0.02) as other income for the year ended March 31, 2023 on account of applicability of the above practical expedients.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

- (v) There are no variable lease payments for the year ended March 31, 2023 and March 31, 2022.

NOTE 38: DISCLOSURE ON TEMPORARY EXCEPTIONS FROM APPLYING SPECIFIC HEDGE ACCOUNTING REQUIREMENTS AS PER IND AS 109

The Ministry of Corporate affairs vide notification number G.S.R. 463(E) dated July 24, 2020 has issued Companies (Indian Accounting Standards) Amendment Rules, 2020. As per the amendment rules the Company has an option to apply the exceptions set out in paragraphs 6.8.4-6.8.12 of Ind AS 109.

The Company has elected to apply the exceptions as specified above. Disclosure with respect to paragraph 24H of Ind AS 107 in relation to uncertainty arising from interest rate benchmark reforms is as follows:

- a) The Company has foreign currency borrowings in USD only and the interest rate benchmarks where the Company's hedging relationship is related are 3 month and 6 month USD LIBOR.
- b) The Company has outstanding External Commercial Borrowing (ECB) principal of USD 670.00 million (equivalent to ₹5,508.53 crore) (March 31, 2022, USD 796.00 million (equivalent to ₹6,034.25 crore), which is directly linked or affected by the abovementioned two benchmarks. (USD 495.00 million – 3month USD LIBOR and remaining USD 175.00 million – 6 month USD LIBOR) (March 31, 2022, USD 546.00 million – 3month USD LIBOR and remaining USD 250.00 million – 6 month USD LIBOR).
- c) USD 3 month & 6 Month LIBOR will cease to exist from June 30, 2023 and outstanding principal exposure as on that date will be USD 640.00 million (March 31, 2022 USD 640.00 million) for which the Company will discuss and negotiate the alternative reference rate with the respective lenders to incorporate or align the same in the corresponding hedging/derivative deals. The Company will do bilateral negotiation or sign the ISDA fall back protocol as the case may be with each of the derivative counterparties.
- d) The outstanding borrowings are long term in nature and the Company hasn't yet received any specific communication from any of its lenders regarding the timelines to change to an alternate reference/benchmark rate. However, as soon as the Company receives any

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

communication or instruction from any of its lenders regarding the transition to an alternate reference rate other than the LIBOR, the Company will immediately take it up with the corresponding hedging counterparty/ies to effect the transition in the hedging/derivative deals also. However, this may result in higher pay out for the Company in the form of excess interest or hedging cost of the underlying borrowing for its remaining tenure.

- e) The nominal amount of hedging instruments for outstanding principal as on March 31, 2023 is USD 670.00 million (March 31, 2022 is USD 796.00 million).

NOTE 39: SEGMENT REPORTING:

Company's main business is to provide loans against/for purchase, construction, repairs & renovations of Houses/ Flats/Commercial Properties etc. All other activities of the Company revolve around the main business. As such, there are no separate reportable segment, as per the Operating Segments (Ind AS 108), notified by the Companies (Accounting Standard) Rules, 2015. The Company operates within India and does not have operations in economic environments with different risks and returns, hence it is considered operating in single geographical segment.

The Company is not reliant on revenues from transactions with any single external customer and does not receive 10% or more of its revenues from transactions with any single external customer.

NOTE 40: CONTINGENT LIABILITIES AND COMMITMENTS

i) Contingent liabilities in respect of Income-tax of ₹56.01 crore (Previous year ₹20.74 crore) is disputed and are under appeals. These includes contingent liability of ₹1.96 crore (Previous year ₹1.84 crore) with respect to Income-tax which have been decided by the CIT(A) in Company's favour. However, Income-tax Department has filed appeal with Delhi High Court . The Company expects the demands to be set aside by the Delhi High Court, hence no additional provision is considered necessary.

ii) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) is ₹21.51 crore (Previous year ₹7.60 crore).

iii) Claims against the Company not acknowledged as debt is ₹0.43 crore (Previous year ₹0.29 crore).

iv) Company had issued corporate financial guarantee amounting to ₹0.25 crore (Previous year ₹0.25 crore) to "UNIQUE IDENTIFICATION AUTHORITY OF INDIA (UIDAI)" against the Aadhar Authentication Services.

NOTE 41: DISCLOSURE IN RESPECT OF EMPLOYEE BENEFITS:

In accordance with Indian Accounting Standards on Employee Benefits" (Ind AS 19), the following disclosure have been made:

Defined Contribution Plans:

Note 41.1: The Company makes contributions towards provident fund to a defined contribution retirement benefit plan for qualifying employees. Under the plan, the Company is required to contribute a specified percentage of payroll cost to the retirement benefit plan to fund the benefits. The contribution has been recognised in the Statement of Profit and Loss which are included under "Contribution to Provident Fund and Other Funds" in Note 31.

Particulars	₹ in crore)	
	Current Year	Previous Year
Contribution to Provident Fund and Other Funds	8.18	6.96

Note 41.2: Defined Benefit Plans

The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. The scheme is funded and the same is managed by Life Insurance Corporation of India. The liability of Gratuity is recognised on the basis of actuarial valuation.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at March 31, 2023. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Risks associated with defined benefit plan

Interest rate risk: A fall in the discount rate, which is linked to the Government Securities rate, will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salary of members. As such, an increase in the salary of the members more than assumed level may increase the plan's liability.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

NOTE 46: RISK MANAGEMENT

The Company has formulated a comprehensive enterprise risk management policy to take care of major risks, such as credit risk, market risk, liquidity risk. The Company has an integrated risk management policy (IRM) in place, which communicates the risk management strategy, framework, and risk processes across the organisation, and has been approved by the Board. The risk management framework broadly includes governance, risk appetite approach, risk-specific guidelines, risk measurement, mitigation, monitoring reporting, and key risk indicators (KRIs). The Company has developed a clearly articulated risk appetite statement, functional policies, and KRIs to explicitly define the level and nature of risk that an organisation willing to take in order to pursue the articulated mission on behalf of various stakeholders. The Board has delegated the responsibility of risk management to its risk management committee (RMC), which reviews the efficacy of our risk management framework, provides important oversight, and assesses whether it is consistent with the risk tolerance levels laid down. The RMC gives directions to executive risk management committee (ERMC), comprising senior management.

Note 46.1: Credit Risk

The Company's asset base comprises of retail loans and corporate loans.

Retail loans mainly focusses on financing of acquisition or construction of houses that includes repair, upgradation, and development of plot of land. In retail loans category, the Company also provides loan against properties and loans for purchase & construction of non-residential premises.

Corporate finance loans are given mainly to developers for financing the construction of residential / commercial properties, i.e. construction finance loans, and for general corporate purpose loans. i.e. corporate term loans and lease rental discounting loans.

Being in the lending domain, credit risk is one of the major risks in the business model of the Company. Credit risk stems from outright default due to inability or unwillingness of a customer or counterparty to meet the contractual commitments. The essence of credit risk management in the Company pivots around the early assessment of stress, both at a portfolio and account level, and taking appropriate measures.

Credit Risk Management

Credit risk of the Company is managed through a robust Credit Risk Management set-up at various levels. Given the pervasiveness of credit risk in the Company's line of business, the Board and the senior management consider credit risk management to be an integral part of the organisational strategy. The Board has constituted

a Risk Management Committee (RMC) that owns the risk management framework. The RMC oversees the Risk Management practices and gives direction to the Executive Risk Management Committee (ERMC), comprising of the MD and CEO along with functional heads, in implementing the risk management framework and policy. The policies and procedures have been drafted in close consultation with process owners, ERMC and RMC.

The risk management function is led by the Chief Risk Officer who is independent and has direct access to the RMC.

The Company's Risk Framework for credit risk management is mentioned below:

1) Established an appropriate credit risk environment

The Company has developed credit risk strategy which reflects its risk tolerance and level of profitability it expects to achieve. The execution of strategy is done through policies, guidelines and processes supervised by team of experienced professionals in the mortgage business.

2) Ensure sound credit approval process

The Company's Target Operating Model (TOM) comprises Hub and Spoc structure, advanced technology platform, experienced and specialized professionals and mark to market policies and products. The Company's TOM allows to manage various type of risks in a better manner which in turn helps building a robust portfolio.

The Company has clear segregation of duties between transaction originators in the business function and approvers in the credit risk function. Spoc or branch act as the primary point of sale, undertake loan originations, collection, deposit sourcing and customer service. Hubs perform functions, such as loan processing, credit appraisal and monitoring through subject matter experts comprising team of underwriters, fraud control unit, legal counsels, and technical evaluators.

The credit sanction is done through a well-defined delegation matrix under four eye principle. All functions are subject to audit, undertaken by an independent team directly reporting to the Board.

Hubs and Spocs are supported by Central Support Office (CSO), Centralised Operations (COPS) and Central Processing Centre (CPC).

3) Maintains an appropriate credit administration, measurement and monitoring process

Policies and procedures have been developed for identifying, measuring, monitoring and mitigating credit risk. Portfolio monitoring allows a proactive approach to identify, at an early stage, credit quality deterioration. A system of independent, periodical reviews of

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

the Company's credit risk management process is established and the results of such reviews are communicated across the levels for corrective actions as applicable. The expected credit loss on financial instruments has been presented in respective note.

Adequate controls are in place to ensure that the credit approval function is being properly managed and that credit exposures are within levels consistent with prudential standards and internal limits.

Note 46.2: Derivative Financial Instruments

Credit risk arising from derivative financial instruments is, at any time, limited to those with positive fair values, as recorded on the balance sheet.

Note 46.3: Analysis of risk concentration

(i) Risk concentrations on loans

for the year ended March 31, 2023

Note 46.4: Market Risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices. The Company monitors such changes and presents to the management on a regular basis. It undertakes scenario analysis as well as other techniques like earnings at risk to quantify the expected impact upon the change of market variables. The Board approved investment policy defines the overall exposure limits and specific limits pertaining to the exposure to a particular entity /counterparty as well as type of securities.

46.4.2 Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. The Board has established limits on interest rate sensitive assets and interest rate sensitive liabilities. The Company's policy is to monitor positions on a regular basis and hedging strategies are used to ensure positions are maintained within the established limits.

The following tables assesses the sensitivity of the assets and liabilities over the profit and loss with change in interest rates.

Areas	Financial year	Sensitivity of profit and (loss)	
		Increase / (decrease) in basis points	(₹ in crore)
Loans	2022-23	100 bps / (100) bps	578.02 / (578.02)

	2021-22	100 bps / (100) bps	(296.53) / 296.53

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

46.4.3 Currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Foreign currency risk arises majorly on account of foreign currency borrowings which are primarily in US dollar (\$). The Company manages its foreign currency risk by entering into cross currency swaps and forward contracts. When a derivative is entered into for the purpose of being as hedge, the Company negotiates the terms of those derivatives to match with the terms of the hedge exposure.

Currently, the Company is exposed to currency risk by virtue of its ECBs. But, the Company has undertaken hedging and mitigated a major portion of such risk.

The following table assesses the sensitivity of the assets and liabilities over the profit and loss and other comprehensive income with change in currency rates.

(₹ in crore)			
Areas	Financial year	Increase / (decrease) in %	Sensitivity on profit and loss / other comprehensive income
External Commercial Borrowing	2022-23	10 % / (10) %	(0.32) / 0.32
Borrowing	2021-22	10 % / (10) %	(9.68) / 9.68

Note 46.4.4: Equity price risk :

The Company's investment in non-listed equity securities are accounted at cost in the financial statement net of impairment (if any). The expected cash flow from these entities are regularly monitored to identify impairment indicators.

Note 46.5: Liquidity risk and funding management

Liquidity risk is defined as the risk that the Company will encounter in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances. Such scenarios could occur when funding needed for illiquid asset positions is not available to the Company on acceptable terms. To limit this risk, management has arranged for diversified funding sources and investors in addition to its core deposit base, also adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a regular basis. The Company also keeps lines of credit and liquid investments that it can access to meet liquidity needs. The lines of credit are from various banks and institutions. The liquid investments are kept in liquid mutual funds, fixed deposits, liquid bonds, government securities etc., limits of which are defined as per investment policy based on the type of security, rating of entity and instrument. In accordance with the Company's policy, the liquidity position is assessed under a variety of scenarios. The Company follows both stock and flow approaches to monitor and assess the liquidity position. Moreover, the Company keeps a track of the expected funds inflows and outflows along with the avenues of raising the funds. This incorporates an assessment of expected cash flows and the availability of high grade collateral which could be used to secure additional funding if required.

The Company has a Board approved Asset and Liability Management (ALM) policy. The policy has constituted an Asset and Liability Committee (ALCO) which meets at regular intervals and review the asset liability profile both at the particular time bucket level and cumulative level as well as the interest rate profile of the Company. The policy also defines the limits on such monitored items and these are further presented to the Board for information and further action, if any. Apart from the regulatory defined tools, the Company has voluntarily instituted various liquidity parameters that are presented to the ALCO and further to the Board. Moreover, the position of liquidity is presented to the Risk Management Committee of the Board.

NOTE 47: FAIR VALUE MEASUREMENT

The principles and techniques of fair valuation measurement of both financial and non-financial instruments are as follows:

(a) Valuation principles

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

For determination of fair value, financial instruments are classified based on a hierarchy of valuation techniques, as summarised below:

Level 1: Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity

of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.

Level 2: Those where the inputs that are used for valuation are significant and are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities and credit spreads. In addition, adjustments may be required for the condition or location of the asset or the extent to which it relates to items that are comparable to the valued instrument.

Level 3: Those that include one or more unobservable input that is significant to the measurement as whole.

(b) Valuation governance

The Company's fair value methodology and the governance over its models includes a number of

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

controls and other procedures to ensure appropriate safeguards are in place to ensure its quality and adequacy. All new product initiatives and their valuations are subject to approvals by related functions of the Company.

(c) Assets and liabilities by fair value hierarchy

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy

As at March 31, 2023

Particulars	(₹ in crore)			
	Level 1	Level 2	Level 3	Total
Assets measured at fair value on a recurring basis				
Assets measured at fair value through profit or loss				
Investments				
Debt securities	-	457.67	-	457.67
Government securities	-	413.18	-	413.18
Derivative financial instruments				
Forward contracts and currency swaps	-	658.02	-	658.02
Interest rate swaps	-	63.02	-	63.02
Total assets measured at fair value on a recurring basis (a)	-	1,591.89	-	1,591.89
Assets measured at fair value on a non-recurring basis				
Assets held for sale	-	-	-	-
Total assets measured at fair value on a non-recurring basis (b)	-	-	-	-
Total assets measured at fair value (a)+(b)	-	1,591.89	-	1,591.89
Liabilities measured at fair value through profit or loss				
Derivative financial instruments				
Forward contracts and currency swaps	-	38.67	-	38.67
Margin money received against derivative financial instruments	-	22.33	-	22.33
Total liabilities measured at fair value through profit or loss	-	61.00	-	61.00

As at March 31, 2022

Particulars	(₹ in crore)			
	Level 1	Level 2	Level 3	Total
Assets measured at fair value on a recurring basis				
Assets measured at fair value through profit or loss				
Investments				
Mutual Funds	100.02	-	-	100.02
Debt securities	-	92.69	-	92.69
Government securities	-	1,044.83	-	1,044.83
Derivative financial instruments				
Forward contracts and currency swaps	-	332.88	-	332.88
Total assets measured at fair value on a recurring basis (a)	100.02	1,470.40	-	1,570.42
Assets measured at fair value on a non recurring basis				
Assets held for sale	-	108.83	-	108.83
Total assets measured at fair value on a non recurring basis (b)	-	108.83	-	108.83
Total assets measured at fair value (a)+(b)	100.02	1,579.23	-	1,679.25

Total liabilities measured at fair value through profit or loss	-	90.63	-	90.63

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

Valuation methodologies of financial instruments measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are recorded and measured at fair value in the Company's financial statements.

1. Mutual funds

Units held in mutual funds are valued based on their published Net asset value (NAV) and such instruments are classified under Level 1.

2. Debt securities

The Company's debt instruments are standard fixed rate securities. The Company uses market prices whenever available, or other observable inputs in discounted cash flow models to estimate the corresponding fair value. These Corporate bonds are generally Level 2 instruments.

3. Assets held for sale

Assets held for sale valuation are basis independent valuations by a specialist in valuing these type of assets. The best estimate of fair value is current prices in an active market for similar assets.

4. Derivative financial instruments

Interest rate derivatives

For Interest rate derivatives Company has interest rate swaps and cross currency swaps. The valuation techniques are the mark to market positions with forward pricing on the swap models using present value calculations by estimating future cash flows and discounting them with the appropriate yield curves like the OIS yield curve. These contracts are generally Level 2 unless adjustments to yield curves or credit spreads are based on significant non-observable inputs, in which case, they are Level 3.

Foreign exchange contracts

Foreign exchange contracts include spot contracts, foreign exchange forward and swap contracts and over-the-counter foreign exchange options. However, the Company has not entered into any foreign exchange options. These instruments are valued by either observable foreign exchange rates, observable or calculated forward points and option valuation models. Company classifies these foreign exchange contracts as level 2.

(d) Fair Value of financial instruments not measured at fair value

As at March 31, 2023

[#] fair value has been disclosed for those valued at amortised cost.

Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements.

1. Financial assets and liabilities (Short term)

Cash and cash equivalents, bank balances other than cash and cash equivalents, trade receivables, other financial assets, trade payables, commercial papers and other financial liabilities has been recognised at amortised cost in the financial statements.

In accordance with Ind AS 107.29(a), fair value is not required to be disclosed in relation to the financial instruments having short-term maturity (less than twelve months), where carrying amount (net of impairment) is a reasonable approximation of their fair value. Hence the fair value of cash and cash equivalents, bank balances other than cash and cash equivalents, trade receivables, other financial assets, trade payables, commercial papers and other financial liabilities has not been disclosed.

2. Financial assets

Loans and advances to customers

Substantial amount of the loans are based on floating rate of interest, carrying amount of which represents the fair value of these loans. Minuscule amount of loans are based on fixed to floating rate of interest, the fair values of these loans are computed by discounted cash flow models incorporating prevailing interest rate. The Company classifies these assets as Level 2.

Government debt securities

Government debt securities are financial instruments issued by sovereign governments and include both long-term bonds and short-term bills with fixed or floating rate interest payments. These instruments are generally liquid and traded in active markets resulting in a Level 1 classification. When active market prices are not available, the Company uses discounted cash flow models with observable market inputs of similar instruments and bond prices to estimate future index levels and extrapolating yields outside the range of active market trading, in which instances the Company classifies those securities as Level 2. The Company does not have Level 3 government securities where valuation inputs would be unobservable.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

3. Financial liabilities

Debt securities and Subordinated liabilities

Debt securities and subordinated liabilities are generally liquid and traded in active markets resulting in a Level 1 classification. When active market prices are not available, the Company uses discounted cash flow models with observable market inputs of similar instruments and bond prices to estimate future index levels and extrapolating yields outside the range of active market trading, in which instances the Company classifies those securities as Level 2.

Deposits

The fair values of deposits are computed by discounted cash flow models that incorporates prevailing interest rate. The Company classifies these liabilities as Level 3.

Financial assets or liabilities other than those mentioned above resembles the value approximate to their fair value.

- (e) There have been no transfers among Level 1, Level 2 and Level 3, during the year ended March 31, 2023, and March 31, 2022.

NOTE 48: OTHER DISCLOSURES:

- (i) There is no income which is required to be recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ii) The Company has not been declared willful defaulter by any Banks/Financial Institutions.
- (iii) The Company has not traded or invested in Crypto currency or Virtual currency during the year.
- (iv) There are no proceedings which have been initiated or pending against the Company for holding any benami property under the Prohibition of Benami Properties Transactions Act, 1988 and the rules made thereunder.
- (v) The Company has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;
- (vi) The Company has not received any funds from any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

(vii) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and the Group has no CICs as part of the Group.

(viii) The Company has not entered into Scheme of Arrangement in terms of section 230 to 237 of the Company Act, 2013.

(ix) Disclosure in relation to Struck off Companies:

(₹ in crore)				
Name of struck off Company/LLP	Nature of transactions with struck-off Company	Balance outstanding as at March 31, 2023	Balance outstanding as at March 31, 2022	Relationship with the Struck off company/LLP
A and B Fashions Private Limited	Interest credited on deposit received	0.15	0.14	Depositor

Akshda Well Wisher Advisory (OPC) Private Limited	Direct selling agent	-	-	Vendor
DNM Finserve Private Limited	Direct selling agent	-	-	Vendor

Note 49: Pursuant to the Board of Directors approval dated March 09, 2022 for issue of equity shares upto by way of Rights Issue ("Rights Issue") for an amount not exceeding ₹2,500 crore, the Company had filed Letter of Offer on March 29, 2023. The issue opened for subscription on April 13, 2023 and closed on April 27, 2023. The rights issue was oversubscribed 1.21 times. The Board on May 4, 2023 approved the allotment of 9,06,81,828 fully paid-up equity shares at a price of ₹275 per equity share (including premium of ₹265 per equity share) aggregating to ₹2,493.76 crore to the eligible shareholders. The estimated issue expenses (contractual commitment) in relation to Right Issue is ₹46.70 crore.

NOTE 50: AMENDMENTS ISSUED BUT NOT YET EFFECTIVE

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules, 2015 from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015, applicable from April 1, 2023, as below:

- (i) Ind AS 1 – Material accounting policies - The amendments mainly related to shifting of disclosure of erstwhile "significant accounting policies" in the notes to the financial statements to material accounting policy information requiring companies to reframe their accounting policies to make them more "entity" specific. This amendment aligns with the "material" concept already required under International Financial Reporting Standards (IFRS). The Company does not expect the amendments to have any impact in the financial statements.
- (ii) Ind AS 8 – Definition of accounting estimates - The amendments specify definition of 'change in accounting estimate' replaced with the definition of 'accounting estimates'. The Company does not expect the amendments to have any impact in the financial statements.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

(iii) Ind AS 12 – The amendment clarifies that in cases of transactions where equal amounts of assets and liabilities are recognised on initial recognition, the initial recognition exemption does not apply. Also, If a company has not yet recognised deferred tax asset and deferred tax liability on right-of-use assets and lease liabilities or has recognised deferred tax asset or deferred tax liability on net basis, that company shall have to recognise deferred tax assets and deferred tax liabilities on gross basis based on the carrying amount of right-of-use assets and lease liabilities existing at the beginning of April 1, 2022. The Company does not expect the amendments to have any impact in its recognition of deferred tax assets and deferred tax liabilities in its financial statements.

The MCA vide its notification dated March 24, 2021 had introduced the concept of audit trails, applicable from April 1, 2023, by inserting proviso to rule 3(1) of the Companies (Accounts) Rules, 2014. It mentioned that every company which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

Note 51: Previous year figures have been rearranged / regrouped wherever necessary to correspond with current year's classification disclosure.
