Maternity leave no condition to prove parentage, says HC

SAURABH MALIK

CHANDIGARH, MARCH 10

The Punjab and Haryana High Court has made it clear that parentage cannot be denied merely because the mother did not avail of maternity leave at the time of the child's birth. The ruling came as the court rejected the Union of India's argument along these lines in a family pension case

The Division Bench of Justice Sanjeev Prakash Sharma and Justice Meenakshi I Mehta also dismissed the Centre's plea challenging the grant of family pension to the woman-applicant whose mother, an Income Tax Department employee, had not entered her name in the service records. A doubt was cast about the employee being

the applicant's biological mother despite the fact that her birth certificate was produced and affidavits of other two siblings filed.

"As per law, even if a child is born from an illicit relationship, and the father and mother are having existing marriage in terms of the provisions of the Hindu Succession Act. the child would be treated as their legitimate child," the Bench asserted.

The court added that a birth certificate and educational certificates reflecting parentage were sufficient proof. "For a child born of a parent who has expired, apart from submitting birth certificate and educational certificates reflecting the parentage, we do not find there is any other document which one can produce to prove the parentage," the Bench said.

"Bhinder was a key figure in a global narcotics syndicate, responsible for smuggling cocaine and other drugs from Colombia into the US and Canada," said DIG Ferozepur Range Swapan Sharma, After his escape to India, the Punjab Police successfully tracked and arrested him from Ludhiana, Sharma added.

Bhinder was also wanted in connection with an Arms Act case registered in December 2024, in which the Tarn Taran Police had arrested five members of the notorious Jaggu Bhagwanpuria and Amritpal Batth Gang. The

arrests led to the recovery of a significant cache of arms and ammunition.

Tarn Taran SSP Abhimanyu Rana said preliminary investigations revealed Bhinder played a crucial role in transporting large consignments of drugs across international borders using trucks and trailers. Detailing the modus operan-

di of the racket, Rana said

interrogations revealed Bhin-

der had been operating a transportation business in Canada since 2014. "Under the guise of a legitimate transportation business, he allegedly facilitated the movement of drugs from Colombia to the US and Canada via Mexico," Rana explained. The probe further uncovered that Bhinder, along with his accomplices, was transporting approximately 600 kg of cocaine from Colombia every week. Bhinder's network is believed to have ties with notorious drug traffickincluding Amritpal Singh, alias Baath, and Gurjant Singh Bholu Havelia.

The Barnala Improvement Trust, with the assistance of the district police, on Monday demolished an "illegally constructed house" located behind the Bus Stand in Barnala. A JCB machine was used to raze the property, which belonged to a mother-daughter duo involved in drug peddling, identified as Kali Kaur and her daughter Sarbo.

Mohammad Sarfaraz Alam, SSP, said according to official records, Kali Kaur had nine cases registered against her.

including seven under the NDPS Act, while her daughter Sarbo faced seven cases, six of which were under the NDPS Act. The demolition was carried out following a request from the Trust, which sought police help to remove the "illegal encroachment."

The SSP emphasised that the operation was conducted in an orderly manner, with adequate police presence to ensure law and order. "We are committed to taking stringent action against drug traffickers and criminals, in line with the government's vision of a drug-free Punjab," he added.

CHANDIGARH, MARCH 10 Aam Aadmi Party (AAP) state president Aman Arora on Monday claimed the state government had achieved significant milestones in its 10day-old war against drugs (Yudh Nashian Virudh) campaign. Addressing a press conference, Arora revealed that under the campaign, the police had registered 988 FIRs

under the NDPS and arrested

1,360 drug traffickers.

The police have seized 1,035 kg of heroin, opium and other synthetic drugs, along with approximately 6.81 lakh drug pills and Rs 36 lakh. These figures underscore the AAP-led government's determination to eliminate the drug menace from the state, he said.

Arora emphasised the AAP government's "unwavering commitment to eradicating drugs from Punjab". He warned drug traffickers to either quit smuggling or leave the state, stating that the police were working round-the-clock to combat the issue. He criticised previous governments for allegedly shielding drug traffickers.

A Cabinet Committee has been formed to oversee the campaign. The committee is regularly visiting districts, holding meetings with offiand monitoring progress. Health Minister Balbir Singh is overseeing hospitals, de-addiction and rehabilitation centres.

Arora affirmed that the Punjab Government and police were working systematically this time to root out drugs from the state.

Farmers stage dharnas near houses of ministers. MLAs

TRIBUNE NEWS SERVICE

CHANDIGARH, MARCH 10 Protesting outside the residences of Aam Aadmi Party (AAP) legislators and ministers, farmers, under the aegis of Samyukt Kisan Morcha (SKM) and the BKU (Ekta Ugrahan), today challenged Chief Minister Bhagwant Mann for a debate on agriculture in Chandigarh on March 15.

Members of 37 farmer unions staged protests outside the residences of AAP leaders at 70 places across the state. The four-hour protests, which begun around 11 am, were held against the government crackdown on SKM and BKU leaders between March 3 and 5 for preventing them from protesting in Chandigarh. A majority of the top leaders had been put under preventive arrest. After the government succeeded in foiling their attempt to reach Chandigarh, the SKM and the largest BKU faction had declared that they would protest outside the houses of AAP leaders.

Farmers raised slogans against the government for stopping them from exercising their democratic right to protest. Leaders of all unions, while addressing the gathering of protesters, also said they would now hit out at the ruling party by opposing them in the elections.

SKM said the AAP govern-

AAP-centric questions in Class XII exam spark row

CHANDIGARH, MARCH 10 A controversy has erupted after the Punjab School Education Board (PSEB) included two questions about the Aam Aadmi Party (AAP) in the Class 12 political science exam held on March 4. The first question, carrying one mark, asked about the year of AAP's establishment, while

the second, an eight-mark

question, required students to elaborate on the policies and programmes of the party.

The Puniab unit of the BJP has accused the ruling AAP of using the education system to influence young minds, calling it a form of political propaganda. Education Minister Harjot Bains defended the inclusion of the questions. — TNS

Slow delivery of milled rice, state writes to FCI

RUCHIKA M KHANNA

CHANDIGARH, MARCH 10 The state government is worried over the shortage of space for storing rice milled from the paddy procured in October last year. The space crunch is leading to slow delivery of rice by millers to the Food Corporation of India, which in turn, is leading to resentment among rice millers.

In a letter to the FCI, the state Food and Supply Department pointed out that only 32% of the custommilled rice could be delivered as the corporation stated that it did not have space. Ideally, all rice is to be delivered to the FCI by March 31.

The state government has

also revoked the "unscientific/non-uniform" allocation of space by the FCI field staff to the millers. "The field staff is allocating space to the millers at centres other than the one originally linked, without charge. This has led to discriminatory and non-uniform allocation of space to the rice millers by the FCI," reads the letter, a copy of which is with The Tribune. Sources said the

Will be held on:

32% custom-milled rice delivered as FCI short of space

which will start coming in the mandis by mid-April, was also discussed at a meeting of all state agencies today.

"We are trying to create space for rice, and there will be no shortage of space. About 70 lakh metric tonne (LMT) of rice is yet to be delivered by rice mills. We are not just speeding up the outward movement of rice from Punjab to other states, but are also hiring godowns transportation owned by state foodgrain procurement agencies for keeping the newly milled rice," B Srinivasan, General Manager of FCI, Punjab Region, told The Tribune. He added that movement of rice stored in issue of shortage of space for Punjab would increase from April onwards.
