- The extent to which the COVID 19 pandemic, including the current "second wave" will impact the Company's future results will depend on economic situation, which is highly unpredictable. The Company will continue to closely monitor any material changes to future economic conditions. However, operating in the secured mortgage asset business we believe we hold a much stable asset class which can withstand the pandemic relatively better compared other asset classes. Hon'ble Supreme Court, in a public interest litigation vide an interim order dated September 03, 2020 (interim order), has directed that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. Basis the said interim order, even accounts that would have otherwise been classified as NPA post August 31, 2020 were not been classified as NPA. The interim order granted to not declare accounts as NPA stood vacated on March 23, 2021 vide the judgement of the Hon'ble Supreme Court. In accordance with the instructions in paragraph 5 of the RBI circular dated April 07, 2021 issued in this connection, the Company has continued with the asset classification of borrower accounts as per the extant RBI instructions / IRAC norms.
- During the quarter ended March 31, 2021, the Company has allotted 75,715 equity shares of ₹ 10 each pursuant to exercise of stock options by employees.
