

Independent Auditors' Report

**To the Members of
Pehel Foundation**

Report on the audit of the Standalone Financial Statements

We have audited the standalone financial statements of Pehel Foundation ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Income and Expenditure (including Other Comprehensive Income), Statement of changes in equity and the statement of Cash Flows for the period then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its Income, changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, for example, Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The other information is expected to be made available to us after the date of this auditors' report. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other

matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Income and Expenditure (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of written representations received from the directors as on March 31, 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure 'A'.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to its directors during the year. Therefore, the provisions of section 197 of the Act are not applicable.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company did not have any pending litigations;
 - ii. The Company did not have any long term contracts including any derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, is not applicable to the Company.

Annexure 'A' to the Independent Auditors' Report

(Referred to in Paragraph 1(f) under the heading "Report on other legal and regulatory requirements" of our report of even date)

Report on the Internal Financial Controls under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Pehel Foundation ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

PEHEL Foundation
Notes to Financial Statements for the year ended March 31, 2021

1. Overview

1.1 Corporate Information

Pehel foundation ("The Company"), has been incorporated in India under section 8 of the Companies Act, 2013 on October 14, 2019 vide CIN No U85320DL2019NPL356152. The Company is registered u/s 12AA and 80G of the Income Tax Act, 1961. The Company's registered office is at 917, 9th Floor, Antriksh Bhawan, 22 K G Marg, New Delhi – 110001.

Pehel foundation aims to work towards poverty eradication and to implement programmes and initiatives for the underserved community at large on the issues related to health, education, livelihood and environment. It also undertake charitable activities that deliver measurable social impact among India's poorest and help create a sustainable ecosystem for communities. It also undertake all other lawful activities which are necessary for the furtherance of the above objectives.

These financial statements are approved and adopted by the Board of Directors of the Company in their meeting held on June 04, 2021.

1.2 Basis of preparation / Statement of Compliance

The financial statements have been prepared on a historical cost basis, except for fair value through other comprehensive income (FVOCI) instruments, and other financial assets held for trading, all of which have been measured at fair value.

The financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) notified under section 133 of the Companies Act 2013.

The financial statements are prepared in accordance with provision contained in section 129 of the Companies Act 2013, read with Division II of Schedule III.

The standalone financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest rupees, except when otherwise indicated.

2. Significant accounting policies

2.1 Use of estimates, judgements and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are known or materialised.

2.2 Cash and cash equivalent

Cash and cash equivalent comprises cash on hand, demand deposits and time deposits with original maturity of less than three months from the date of acquisition, highly liquid investments that are readily convertible in the known amounts of cash and which are subject to insignificant risk of change in value, debit balance in cash credit account.

2.3 Revenue Recognition

Revenue from grant/donation is recognised upon compliance with the significant condition, if any and when it is probable that the economic benefits associated with it will flow to the Company and the amount of the grant can be measured reliably.

Interest income for all financial instruments measured at amortised cost and is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. The calculation takes into account all contractual terms of the financial instrument (for example, prepayment options) and includes any discount or premium on acquisition, fees or incremental costs that are directly attributable and are an integral part of the EIR, but not future credit losses.

Interest income on all trading assets measured at Fair value through profit and loss (FVTPL) is recognised using the contractual interest rate under interest income and the fair value impact is recognised in net gain / loss on fair value changes.

2.4 Current tax

Provision for current tax has not been made in the books of accounts in view of the exemption of income of the Company under Section 11 read with Section 2(15) of the Income Tax Act, 1961.

2.5 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

PEHEL Foundation
Notes to Financial Statements for the year ended March 31, 2021

2.6 Contingent liabilities and assets

The Company does not recognise a contingent liability but discloses its existence in the financial statements.

a) Contingent liability is disclosed in case of –

- (i) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- (ii) A present obligation arising from past events, when no reliable estimate is possible.
- (iii) A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent liabilities are reviewed at each balance sheet date.

b) Contingent assets are not recognised in the financial statements.

2.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

✓ Initial recognition and measurement

Financial assets are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. The classification of financial assets at initial recognition depends on their purpose, characteristics and the intention of the management's while acquiring the same. All financial assets measured at fair value through profit or loss (FVTPL) are recognised initially at fair value. Financial assets measured at amortised cost or at fair value through other comprehensive income (FVTOCI) is recorded at fair value plus transaction costs that are attributable to the acquisition of that financial asset.

✓ Classification and Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial asset at amortised cost
- Financial asset (debt instruments) at FVTOCI
- Financial asset at FVTPL

Financial asset at amortised costs

Financial asset is measured at the amortised cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method less impairment (if any). Amortised cost is calculated by taking into account any discount or premium on acquisition and fees / costs incurred on acquisition of financial asset. The EIR amortisation is included in interest income in the statement of income and expenditure. The losses arising from impairment are recognised in the statement of income and expenditure.

Financial assets (debt instruments) at FVOCI

Financial asset (debt instruments) is classified as at the FVTOCI if both of the following criteria are met:

- i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- ii) The asset's contractual cash flows represent SPPI.

Financial assets included within the above category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial Asset at FVTPL

Financial asset which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL. Financial assets classified under FVTPL category are measured at fair value with all changes recognised in the statement of income and expenditure.

b) Financial Liabilities

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for trading or it is designated as on initial recognition to be measured at FVTPL. All financial liabilities, other than classified at FVTPL, are classified at amortised cost in which case they are initially measured at fair value, net of transaction costs and subsequently at amortised cost using effective interest rate.

Amortised cost is calculated by taking into account any fees, commission / brokerage and ancillary costs incurred in relation to the financial liability. The EIR amortisation is included in interest expense in the statement of income and expenditure.

PEHEL Foundation
Notes to Financial Statements for the year ended March 31, 2021

2.8 Impairment of financial assets

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

The Company measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Company operates.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive. ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expenses in the statement of income and expenditure.

If credit risks has not increase significantly 12 months ECL is used to provide the impairment loss. If credit risks has increased significantly lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risks since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

2.9 Derecognition of financial assets and liabilities

a) Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when the contractual rights to receive cash flows from the financial asset have expired and all the risks and rewards of the asset has been transferred.

b) Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in the statement of income and expenditure.

2.10 Statement of Cash flow

Cash flows are reported using the indirect method, whereby surplus / (deficit) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.11 Earnings per Share

Basic earnings per share is calculated by dividing the surplus / (deficit) after tax for the period by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the surplus / (deficit) for the period and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.12 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). CODM is responsible for allocating the resources, assess the financial performance and position of the Company and makes strategic decision.

PEHEL Foundation
Notes to financial statements for the year ended March 31, 2021

Note 10: Segment Reporting

Company's main business is to work on social initiatives with focus on issues related to health, education, livelihood and environment. All other activities of the Company revolve around the main business. Hence there are no reportable segments under Ind AS - 108 notified by the Companies (Accounting Standard) Rules, 2015 as amended from time to time. The Company operates with in India and does not have operations in economic environments with different risks and returns, hence it is considered operating in single geographical segment.

Note 11: Contingent Liabilities and Commitments

There are no contingent liabilities & commitments as on the Balance sheet date.

Note 12 : Fair value measurement

The principles and techniques of fair value measurement of both financial and non-financial instrument are as follows :

(a) Valuation principles

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

(b) Valuation governance

The Company's fair value methodology and the governance over its models includes a number of controls and other procedures to ensure appropriate safeguards are in place to ensure its quality and adequacy.

(c) Assets and liabilities by fair value hierarchy and techniques for fair value measurement: There were no financial assets and financial liabilities to be recorded at fair value as at March 31, 2021 and March 31, 2020.

(d) Fair value of financial instruments not measured at fair value : In accordance with Ind AS 107.29(a), fair value is not required to be disclosed in relation to the financial instruments having short-term maturity (less than twelve months), where carrying amount (net of impairment) is a reasonable approximation of their fair value. Hence the fair value of cash and cash equivalents, bank balances, trade payables has not be disclosed.

(e) There have been no transfers among Level 1, Level 2 and Level 3, during the year ended March 31, 2021.

PEHEL Foundation
Notes to financial statements for the year ended March 31, 2021

Note 13 : Risk Management

The Company's business activities exposed to a variety of risks viz., market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of these risks and to address the issue in order to minimize the potential adverse effects on its financial performance.

The Company's risk management is an integral part of how to plan and execute its business strategies.

Note 13.1 : Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market variables. Changes in the values of financial instruments may result from changes in the interest rates, credit, liquidity and other market changes.

Note 13.1.1 : Total market risk exposure

Particulars	As at March 31, 2021 (₹ in Lacs)	As at March 31, 2020 (₹ in Lacs)	Primary risk sensitivity
	Carrying amount		
ASSETS			
Financial assets			
Cash and cash equivalents	1,579.54	5.00	-
Total	1,579.54	5.00	
LIABILITIES			
Financial liabilities			
Trade payables	0.30	0.12	-
Total	0.30	0.12	

Note 13.1.2 : Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. The Company's policy is to monitor positions on a regular basis and hedging strategies are used (if required) to ensure positions are maintained within the established limits.

The Company does not have any interest bearing financial assets at the end of the reporting period. Hence there is no interest rate risk.

Note 13.2 : Credit risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investments and other financial assets.

At each reporting date, the Company assesses the loss allowance (if any) for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

The Company does not have any trade receivables at the end of the reporting period. Hence there is no credit risk.

Note 13.3 : Liquidity risk

Liquidity risk is defined as the risk that the Company will encounter in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances. To cater this risk the Company monitors the maturity of both its financial assets and projected cash flows from operations (i.e. grant/ donations).

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has no outstanding borrowings. The Company believes that the working capital is sufficient to meet its current requirements.

Note 14: Company expects to receive grants/donations from PNB Housing Finance Limited and group companies as part of their Corporate Social Responsibility plan and also from other companies and individuals to help society and the community. There is no impact of Covid-19 on the activities of the Company.

Note 15: Previous period figures have been regrouped / reclassified where necessary to correspond with the current year's classification / disclosure.
